

COUNTY GOVERNMENT OF BUSIA
P.O.BOX PRIVATE BAG-50400
BUSIA, KENYA
COUNTY TREASURY

APPROVED BUDGET ESTIMATES

FOR THE

FINANCIAL YEAR 2026/2027

AND

MEDIUM-TERM EXPENDITURE FRAMEWORK

JUNE 2026

FOREWORD

The Budget Estimates for the Financial Year 2026/2027 and the Medium-Term Expenditure Framework (MTEF) has been meticulously prepared as a consultative policy and planning document. It harmoniously integrates the County Government's development priorities with the prevailing resource envelope thereby ensuring a balanced and responsive fiscal framework. It has been developed in full compliance with the Constitution of Kenya, 2010, Public Finance Management (PFM) Act, 2012, Sections 125,128,129,130 and 131, it's enabling PFM Regulations of 2015 and other related laws and regulations.

The Budget Estimates have been aligned with key policy and planning frameworks, including County Integrated Development Plan (CIDP) 2023–2027, Annual Development Plan (ADP) for FY 2026/2027, County Fiscal Strategy Paper (CFSP) for FY 2026/2027, National Budget Policy Statement (BPS) 2026, County Allocation of Revenue Bill (CARB) 2026, Fourth Medium-Term Plan (MTP IV) 2023–2027, Bottom-Up Economic Transformation Agenda (BeTA) and Kenya Vision 2030. This alignment underscores the County Government's commitment to coherence, consistency, and strategic focus in resource allocation and service delivery.

The FY 2026/2027 Budget focuses on enhancement of own source revenue performance and undertaking key strategic flagship projects across the County. These include establishment of Model Health Facilities, refurbishment and improvement of county roads to bitumen standards, construction of Early Childhood Development Classrooms and development & improvement of water infrastructure. It also focuses on enhancing food security by putting substantial resources in agriculture sector which will act as a buffer for industrialization through operationalization of County Aggregated Industrial Park. Further the budget has prioritized increased access to financial support to Micro, Small and Medium Enterprises. In addition, the municipalities of Busia and Malaba have been granted autonomy as enshrined in the Urban Areas and Cities Act, 2011 (Amended 2019). Social support and administrative sectors of sports, culture, governance and public service management have also been considered in this budget. Lastly, pending bills, rollovers and stalled projects have been partially addressed.

To achieve the above vision, a total Budget of **Kshs. 10.224 billion** has been set for the FY 2026/2027. Of this, the County Government anticipates to receive **Kshs. 8.052 billion** as equitable share from the National Government and **Kshs. 1.367 billion** as conditional grants.

In addition, the County projects to collect **Kshs. 804.98 million** from Own-Source Revenue, comprising of **Kshs. 361.51 million** from other local revenue streams and **Kshs. 443.48 million** as Appropriation-in-Aid (A-i-A) under the Department of Health Services and Sanitation.

The projected expenditure for FY 2026/2027 equals to revenues totalling to **Kshs. 10.224 billion**. Recurrent expenditure has been allocated **Kshs. 7.085 billion** (69.3%), while **Kshs. 3.139 billion** (30.7%) has been earmarked for development expenditure. This allocation reflects a deliberate effort to strike an optimal balance between sustaining essential services and advancing the County's development agenda while maintaining fiscal responsibility.

The County Treasury remains steadfast in its commitment to supporting all departments in the efficient and effective implementation of planned programmes. It shall continue to uphold prudent financial management, enforce fiscal discipline, and promote accountability and transparency in the utilization of public resources, in strict adherence to the guiding principles enshrined in the Constitution, the PFM Act, and other applicable legal frameworks.

Hon. Andrew Nakitari

County Executive Committee Member – County Treasury and Economic Planning

ACKNOWLEDGEMENT

The preparation of the FY 2026/2027 Budget Estimates and the Medium-Term Expenditure Framework (MTEF) was a rigorous, inclusive, and highly consultative process. It is with deep appreciation that I acknowledge the invaluable contributions, commitment, and collaboration of all stakeholders who played a vital role in its successful development.

I extend my sincere gratitude to the County Executive Committee Members, Chief Officers, Directors, and the County Assembly for their steadfast support, insightful contributions, and constructive engagement throughout the process. I convey special appreciation to the County Executive Committee Member for County Treasury and Economic Planning for his exemplary strategic leadership and unwavering guidance.

I am particularly indebted to CPA Evans Wandera Wangata, Director of Budget, whose exceptional leadership and coordination were instrumental in the preparation of this document. I also commend the dedication, professionalism, and tireless efforts of CPA Jesse Mang'eni (Deputy Director), Mr. Amos Owana Imooh, Mr. William Chepkwony, Ms. Maureen Anyango Ochieng, CPA Kevin Omondi, Ms. Beverly Anyokorit Ote, Ms. Marlene Ursula Ajiambo, CPA Chrispinus Oroni, Mr. Tiberious Muganda, Ms. Verah Ingutia, Ms. Sherry Okuku, Ms. Mercy Minayo, CPA Emily Chemusto and all departmental budget officers, whose collective input greatly enriched the quality and integrity of this budget.

Finally, I wish to express my profound gratitude to His Excellency the Governor Hon. Paul Nyongesa Otuoma for his continued moral support, visionary leadership, and insightful guidance, as well as for fostering an enabling environment that made the successful preparation of this budget possible.

Mr. Ahmed Adan Hefow

Chief Officer – County Treasury and Economic Planning

SUMMARY OF REVENUE AND EXPENDITURE FOR FY 2026/2027

DESCRIPTION	%	AMOUNT (Kshs.)
Total Revenue	100%	10,223,602,563
Equitable Share	78.76%	8,052,092,605
Total Own Source Revenue	7.87%	804,981,700
Local Revenue	3.54%	361,506,282
Appropriation in Aid	4.34%	443,475,418
Conditional Grants	13.37%	1,366,528,258
Total Expenditure	100%	10,223,602,563
County Executive Recurrent	60.79%	6,215,024,386
County Executive Capital	30.41%	3,108,980,131
County Assembly Recurrent	8.51%	869,598,046
County Assembly Capital	0.29%	30,000,000

The above table presents the revenue and expenditure estimates for the Financial Year 2026/2027. In terms of revenue projections, the equitable share constitutes the largest proportion at **78.76 percent**, underscoring its central role in financing county operations. This is followed by loans and grants at **13.37 percent** and lastly, County own-source revenue at **7.87 percent**.

Risks to Revenue Collection and Budget Implementation

Natural disasters, particularly recurrent flooding, pose a significant threat to the development trajectory of Busia County. Such calamities disrupt economic activity, thereby undermining revenue collection while simultaneously delaying or derailing the implementation of critical programmes and projects. In the absence of adequate contingency and mitigation measures, scarce resources may be reallocated from planned development initiatives to emergency response efforts, ultimately compromising budget execution and development outcomes.

Additionally, **revenue shortfalls** present a substantial risk to effective budget implementation. Overly optimistic revenue projections may result in financing gaps, compelling the County Government to scale down, postpone, or abandon priority projects halfway through. This, in turn, adversely affects service delivery and slows the pace of socio-economic development.

Linkages

The budget-making process is inherently continuous and interdependent, encompassing formulation, implementation, and evaluation phases. The FY 2026/2027 Budget Estimates for Busia County are firmly anchored in key policy and planning frameworks to ensure coherence, transparency, and strategic resource allocation.

Firstly, the Budget Policy Statement (BPS) 2026 provides the national fiscal framework, including equitable share allocations and conditional grants, thereby guiding county-level budgeting. It serves as a policy anchor that aligns county resource allocation with national priorities and prevailing fiscal realities.

Secondly, the Budget Estimates are closely aligned with the County Integrated Development Plan (CIDP) 2023–2027, which articulates the County’s medium-term development agenda. This alignment ensures that annual budget allocations are consistent with long-term strategic objectives, thereby promoting continuity and policy coherence.

Further, the Annual Development Plan (ADP) 2026/2027 operationalizes the CIDP by translating strategic priorities into specific programmes and projects for implementation within the financial year. The ADP thus provides a clear framework for directing resources towards high-impact development interventions.

Moreover, the County Fiscal Strategy Paper (CFSP) 2026/2027, prepared in accordance with Section 117 of the Public Finance Management (PFM) Act and Regulation 26(4) of the PFM Regulations, 2015, outlines the fiscal framework and sets departmental expenditure ceilings. These ceilings form a rational basis for resource distribution across sectors, thereby enhancing fiscal discipline and prudent public financial management.

Finally, the County Budget Review and Outlook Paper (CBROP) 2025 informs the budget formulation process by assessing past fiscal performance and establishing preliminary expenditure ceilings based on revenue trends and expenditure outcomes. This ensures that the budget estimates are grounded in realistic assumptions and responsive to the County’s fiscal position.

Adherence to Fiscal Responsibility Principles

In accordance with Article 201 of the Constitution of Kenya, 2010, and Section 107 of the Public Finance Management Act, 2012, the County Government has adhered to the prescribed fiscal responsibility principles as outlined below:

i. Recurrent Expenditure Threshold

The County Government has consistently maintained a balanced budget, ensuring that recurrent expenditure does not exceed total revenue. It has adhered to the recommended threshold of allocating no more than **70 percent** to recurrent expenditure and at least **30 percent** to development expenditure. In the FY 2026/2027 Budget Estimates, **69.30 percent** has been allocated to recurrent expenditure, while **30.70 percent** is directed towards development.

ii. Minimum Allocation to Development Expenditure

Over the medium term, the County Government has sustained compliance with the requirement that a minimum of **30 percent** of the budget be allocated to development expenditure, thereby reinforcing its commitment to long-term growth and infrastructure development.

iii. Wage Bill Threshold

In line with Section 25(1) (b) of the PFM (County Governments) Regulations, 2015, county governments are required to limit expenditure on wages and benefits to a maximum of **35 percent** of total revenue. However, in the FY 2026/2027 Budget Estimates, the County's wage bill stands at **47 percent**, exceeding the prescribed threshold.

This elevated wage bill is largely attributable to the absorption and retention of staff from the defunct local authorities, the recruitment of essential technical personnel across departments, and the continued implementation of collective bargaining agreements. To address this challenge, the County Public Service Board has instituted a range of corrective measures, including the non-replacement of retired non-technical staff and the recruitment of new personnel at entry-level job groups, which attract relatively lower remuneration.

1. Department of Smart Agriculture, Livestock, Fisheries, Blue Economy and Agribusiness

A. Vision

A leading county in food security and sufficiency for sustained livelihoods.

B. Mission

To improve the livelihoods of Busia County residents through the promotion of competitive agriculture, provision of support services while ensuring a sustainable natural resource base.

C. Performance Overview and Rationale Funding.

Brief description of mandate.

In Busia County, 80% of the population live in the rural areas and derive their livelihood from agriculture and related activities. Agriculture sector is the main stay of County's economy, contributing 58% of the county GDP with small scale farming dominating the agricultural economic activities. The overall goal of Agriculture sector is Rural Poverty Reduction and safeguarding of family food and nutrition security. The County aims to reduce poverty levels and improve food security in Busia County by revitalizing the agricultural sector at the ward level. This targets rural households, with a focus on enhancing agricultural productivity, increasing incomes, and facilitating access to essential services such as health, education, and infrastructure.

Strategies for poverty reduction and food security are fundamentally anchored in deliberate efforts to strengthen agricultural production systems, enhance livelihoods, and guarantee consistent access to nutritious food. In this regard, the sector places strong emphasis on improving the productivity and sustainability of crops, livestock, and fisheries as a means of safeguarding household incomes while ensuring the availability and accessibility of quality food for all.

Central to this approach is the transformation of agriculture into a modern, efficient, and market-oriented sector. This transformation is pursued through the institutional organization of the sector, alongside the development of robust production and marketing infrastructure designed to support sustainable and efficient agricultural practices. By strengthening institutional frameworks and value chains, the sector seeks to create a conducive environment for farmers to thrive and for agricultural outputs to reach markets effectively.

Equally important is the facilitation of increased production, productivity, and profitability of farming enterprises. This involves the adoption of improved technologies, better farming practices, and enhanced access to inputs and extension services. Through these measures, farmers are empowered not only to produce more but also to derive greater economic value from their activities, thereby improving their overall livelihoods.

In addition, the sector is committed to establishing an enabling policy and regulatory environment that supports agriculture-driven economic transformation within communities. Sound policies and regulations are essential in attracting investment, promoting innovation, and ensuring fair and competitive agricultural markets.

To further stimulate rural economic growth and strengthen value addition, the sector has prioritized key value chains, including cotton and edible oils such as seed cotton, groundnuts, sunflower, sesame, and soya beans. Other priority areas include rice, dairy, poultry, and fish farming. These enterprises are strategically selected to enhance income generation while ensuring a steady supply of raw materials to the County Aggregation and Industrial Park (CAIP), thereby fostering agro-industrial development.

At the same time, staple food crops such as maize, finger millet, and beans continue to be cultivated primarily to meet household consumption and nutritional needs. Their production remains vital in addressing food security at the household level and in promoting balanced diets among rural populations.

Ultimately, the sector's interventions are geared towards significantly reducing poverty levels within rural communities in Busia County. Specifically, the goal is to halve the proportion of the population living below the international poverty line of \$1.25 per day. This objective is closely aligned with United Nations Sustainable Development Goal Target 1.1, which seeks to eradicate extreme poverty for all people everywhere by the year 2030. Through these comprehensive and integrated strategies, the sector aspires to build resilient livelihoods, enhance food security, and drive sustainable socio-economic development.

Budget Allocations and Expenditure Trends for FY 2022/2023-FY 2024/2025.

Expenditure Item	Budget Amount	Actual Expenditure	Absorption Rate
FY 2022/2023			
Employee Compensation	188,121,056	184,120,435	98%
Operation and Maintenance (O&M)	86,814,809	82,611,885	95%
Development	1,101,744,545	540,043,683	49%
Total	1,376,680,410	806,776,003	58.60%
FY 2023/2024			
Employee Compensation	207,574,238	207,574,238	100%
Operation and Maintenance (O&M)	72,555,691	72,555,688	100%
Development	865,579,268	645,122,284	74.5%
Total	1,145,709,197	925,252,210	80.8%
FY 2024/2025			
Employee Compensation	188,862,848	188,852,385	100%
Operation and Maintenance (O&M)	62,338,983	61,331,881	98.4%
Development	863,561,654	445,145,488	51.5%
Total	1,114,763,485	695,329,753	62.4%

Major Achievements for FY 2023/2024- FY 2024/2025.

I. Key Achievements

In the year under review, the department through its county programs and donor funded projects recorded the following achievements;

Under crops directorate, a major milestone was achieved through the **Mechanization Program**, where a total of **2,290 acres of land were ploughed** for farmers at a **subsidized rate of Kshs. 2,500 per acre**, compared to the **market rate of Kshs. 4,000 per acre**. This initiative, which covered all wards across the county and directly benefited **1,381 farming households**, facilitated **timely land preparation**, a critical factor for improved crop yields. Recognizing the growing demand for mechanized agriculture, the directorate made significant investments to bridge the existing service gap. In the reporting period, the county **procured 13 additional tractors, 13-disc ploughs, 4 rotavators specifically for paddy rice farmers, and one rice planter**. These efforts are aligned with the broader objective of enhancing access to **cost-effective, efficient, and timely land preparation services** across the county. In parallel, under the **Input Access Programme**—an initiative designed to support resource-poor farmers in accessing high-quality agricultural inputs—the directorate undertook extensive **capacity building through on-farm demonstrations, Field Days, and agricultural exhibitions**. These platforms provided opportunities for farmers to gain hands-on knowledge on best practices and modern technologies to improve productivity. To further support the program, the directorate procured and distributed the following certified quality inputs; maize 66.23 tons, cassava cuttings

9 ton, Nyota beans 2.266 tons, cotton 27.213 tons, soya bean 5 tons, sunflower 4.044 tons, groundnuts 4.44 tons. These inputs significantly contributed to surpassing production targets. **Edible oil and industrial crop production increased from the targeted 10,200 tons to 10,736 tons**, while **food crop production rose from a target of 423,240 tons to 462,954 tons**. These gains have not only enhanced household incomes but also **strengthened food and nutrition security** within the county.

Under Agribusiness Directorate, significant strides were made to enhance farmer productivity and promote commercial agriculture in Busia County. During the long rains season, the directorate, in collaboration with the national government through the **e-voucher subsidy program**, oversaw the **distribution of 16,598 bags of subsidized fertilizer**, amounting to **830 tons**. This included **7,830 bags of planting fertilizer** and **8,768 bags of top-dressing fertilizer**, distributed through strategically located last-mile input stores. The timely provision of these inputs ensured that farmers accessed fertilizer at critical stages of crop development, leading to **improved crop establishment, higher yields, and strengthened food and nutrition security** across the county. In addition to input support, the directorate is spearheading the development of the **Busia County Agribusiness Strategy**, a key policy framework aimed at transforming the agricultural sector into a **competitive, commercial, market-driven, and resilient industry**. The strategy seeks to unlock the full potential of **priority value chains, promote value addition and agro-processing, and increase the participation of youth and women in agribusiness**.

Under Fisheries Directorate, A total of **176 metric tons of fish** were produced, supported by investments in smallholder cluster production. The County produced approximately **700,000 fingerlings**, facilitated by operational hatcheries at Wakhungu, Hydro Victoria, and Okerebwa. Progress was also made in enhancing cold chain capacity, with **one fish cold chain facility established** at Mulukhoba, with another planned for FY 2025/2026. The number of households benefiting from fisheries interventions rose to **1,326**, reflecting the successful implementation of aquaculture support programs. These efforts significantly contributed to employment, food security, and income generation, particularly in fishing communities.

Under Livestock, the **dairy subsector** maintained steady growth, with annual milk production reaching **39.7 million litres (95% achievement)**. This performance was supported by improved feeding practices, enhanced extension services, and better livestock husbandry. In

the area of **fodder development**, **1,444 tons** were produced with a total value of **Kshs. 10.314 million**. Notably, **Super Napier grass** was established on 12 acres under rain-fed conditions, yielding an average of **120 tons per acre**, contributing the bulk of green fodder produced. The **poultry subsector** recorded outstanding performance with a total of **3,816.2 metric tons of poultry meat** being produced. Indigenous chicken accounted for **3,560.7 metric tons**, driven by increased adoption due to low production costs, high market demand, and adaptability to local conditions. Broiler production contributed **255.5 metric tons**, reflecting consistent growth in commercial poultry farming. The poultry meat produced was valued at **Kshs. 1.602 billion**. Additionally, **79,500 improved chicks** were produced, valued at **Kshs. 7.95 million**. Production was led by **individual farmers (70,000 chicks)**, **Mudembi Poultry Park (3,500 chicks)**, and **Spider Poultry Network CBO (6,000 chicks)**.

Under the Veterinary Directorate, significant strides were made in improving animal health, breeding services, and public health safeguards. Over 4,500 animals were routinely sprayed with acaricides across the county, a key intervention in the effective control of tick-borne diseases. Additionally, the directorate carried out mass screening and treatment, reaching 1,200 animals with dewormers and anti-trypanosomiasis prophylaxis. These efforts led to a 30% reduction in reported cases of vector-borne diseases and contributed to improved overall livestock productivity and health. In support of animal breeding and genetic improvement, 640 households benefited from the Livestock Improvement Program, with 850 animals served through Artificial Insemination (AI). These services are expected to produce over 500 crossbreed calves, which are projected to enhance productivity and greater resilience to local environmental conditions. To promote meat safety and public health, the directorate inspected over 14,250 carcasses at 40 licensed slaughter facilities countywide under the Meat Hygiene Program. Furthermore, to strengthen routine meat inspection operations, 14 county meat inspectors were equipped with standard inspection gear, improving hygiene standards, operational efficiency, and ensuring the safety of both inspectors and consumers.

Under National Agricultural Value Chain Development Project (NAVCDP), **30,479 farmers** were successfully reached, surpassing the initial target of **7,600**. These beneficiaries accessed a variety of agricultural services, including extension support, capacity-building sessions, mechanization, and the promotion of **Technologies, Innovations and Management Practices (TIMPs)**. The outreach was implemented through grassroots-based structures such as **Common Interest Groups (CIGs)**, **Vulnerable and Marginalized Groups (VMGs)**,

Farmer Producer Organizations (FPOs), and SACCOs, ensuring inclusive participation and widespread impact. A major highlight was the **successful facilitation of 15,213 farmers** through the **e-voucher system**, enabling access to subsidized fertilizer. In support of financial inclusion and institutional strengthening, the project disbursed **Kshs. 24.5 million in Inclusion Grants** to 35 ward-based SACCOs, each receiving Kshs. 700,000. These funds were critical for the initial setup, member mobilization, and operationalization of the SACCOs. The project also laid the groundwork for additional grants to FPOs, with proposals already developed and undergoing vetting by the National Project Coordination Unit (NPCU). Furthermore, the NAVCDP trained and **on boarded 245 agripreneurs**, distributed equally across all wards, to act as last-mile service providers and extension agents. These agripreneurs play a pivotal role in promoting sustainable agricultural practices and improving outreach and service delivery to farmers. While the physical development of market infrastructure was still in the planning and proposal stages—such as the construction of a modern livestock market in Bumala foundational work on these components indicated forward momentum in enhancing value chain integration and market access

Kenya Livestock Commercialization Project (KeLCoP) successfully integrated 5,901 livestock farming households into poultry and dairy goat value chains out of a targeted 10,640. The remaining 4,739 households are set to be on boarded during the third phase of beneficiary selection. Additionally, 45 groups benefitted from the issuance of livestock assets. Among these, 31 groups received 17,000 chicks along with start-up feeds in Amukura East, Bunyala North, Elugulu and Namboboto Nambuku Wards, two groups in Elugulu received 50 dairy goats and fodder planting materials, while 11 groups in Amukura East, Bunyala North, and Namboboto Nambuku received 71 meat goats and associated fodder planting inputs. Efforts to increase participation of ultra-poor households in the value chains saw 160 of the targeted 210 households mentored and issued with poultry and dairy goat packages, with the shortfall attributed to resource constraints. Furthermore, 100 ultra-poor households were supported with homestead food production packages, including one-month-old chicks, start-up feeds, and kitchen garden inputs—exceeding the initial target of 40. One out of two planned livestock markets—Nambale—has been successfully upgraded, while the Funyula livestock sale yard is currently at the procurement stage. To enhance digital market participation, 160 farmer groups were registered in the database and are actively engaged in Multi-Stakeholder Platforms (MSPs), including 80 stakeholders from poultry and 80 from dairy/meat goat value chains.

Lastly, business and income-generation training were delivered to 880 individuals, surpassing the target of 500. These trainings were conducted through 44 groups, each averaging 20 members.

Under Aquaculture Business Development Program (ABDP), a total of 1,326 households, were reached with inputs and extension services. This includes 454 first-phase beneficiaries, 512 second-phase beneficiaries, and 360 cage culture beneficiaries. The expansion demonstrates the program's strong outreach and increasing adoption among rural communities. A total of 64 groups have been recruited under the program, (40 smallholder aquaculture groups and 24 cage culture groups), indicating diversification in production systems and improved mobilization of aquaculture stakeholders.

Constraints and challenges in Budget Implementation,

- Mobility challenges - due to limited number of motor vehicles and motor cycles for field staff, last mile service delivery is delayed
- Data Information gaps - Obsolete ICT equipment in Sub Counties slow data and information processing
- Weak monitoring of Projects- Department doesn't have comprehensive Monitoring and Evaluation Framework for real time monitoring of projects
- Inadequate financial resources and delayed disbursement of funds to support sector's

Lesson Learnt and Recommendations.

- Enact laws and policies that enhance service delivery in mechanization and input subsidy
- Improvement of Data management for the department and sector
- Strengthen monitoring framework for sector activities
- Funding of programs in consideration with the proposed budget to ensure full allocation for projects to completion.
- Facilitate Artificial Insemination subsidy program.

Major Services/Outputs to be provided in the FY 2026/2027-2028/2029 Medium Term Budget.

The major Services/Outputs that the department intends to provide include the following; Mechanization Services, Inputs access to support Industrial Oil and Food Crops, Livestock Breed Improvement services, Credit Access to farmers, Fisheries and Livestock Inputs.

D. Strategic Objectives.

CP 01: General Administration and Support Services.

To facilitate the Coordination of all programs within the department.

CP 02: Crop Development

To increase Crop Production and Productivity under Mechanization.

CP 03: Livestock Production Infrastructure.

To increase Livestock Production.

CP 04: Veterinary Infrastructure Development.

To Improve Animal Health and enhance Food safety.

CP 05: Fisheries and Blue Economy Development.

To Promote Fisheries Infrastructure and Aquaculture development.

CP 06: Agribusiness Development

To undertake these programmes, the FY 2026/27-2028/29 MTEF estimates for the sector are projected to be **Ksh.2, 852,338,114**. For the FY 2026/27, **Kshs. 893,397,172** has been set aside for the sector. For FY 2027/28 and FY 2028/29 the projections are **Kshs. 948,928,333** and **Kshs. 1,010,012,610** respectively.

E. Summary of the Programme Key Outputs, Performance Indicators and Targets

Programme	Delivery Unit	Key Outputs	Key Performance Indicators	Baseline FY 2025/2026	Planned Target FY 2026/2027	FY 2027/2028	FY 2028/2029
CP 1.0: Administrative Support Services Total	HQ	Improved and High-Quality Services	% achievement of the set Programmes Target	100%	100%	100%	100%
CP 2: Crop Development							
Programme Outcome: Increased Land Acreage under agricultural land use and increased land productivity (Enhanced Food Security)							
CSP 2.0 Mechanization Services	Smart Agriculture	Increased accesses to mechanization	Acreage ploughed through subsidized tractor hire services	8,500	0	10,285	10,799
CSP 2.1 Input Access	Smart Agriculture	Increased Acreage under oil crops	Acreage under Cotton	8,886	8,443	10,752	11,290
			Acreage under groundnuts	12,500	12,250	15,125	15,881

2. Department of Trade, Investment, Industrialization, Cooperatives Small and Micro Enterprise (SME)

A. Vision

A leading department in the promotion of Trade, Cooperative Development and investment

B. Mission

To foster inclusive and sustainable socio- economic development through promoting investment in trade, entrepreneurship, innovation, value addition and cooperative development.

C. Performance Overview and Rationale for Funding

Brief description of mandate.

The Department is mandated to facilitate and promote trade, investment, industrial development, cooperative growth, fair trade practices, and social protection through drug and substance abuse control. It exists to promote self-reliance, employment creation, wealth generation, and inclusive economic growth across Busia County. The department delivers on this mandate through targeted programmes that support business development, market access, value addition, innovation, industrial infrastructure development, cooperative financing, and consumer protection. These interventions directly contribute to increased productivity, improved service delivery, job creation, enhanced incomes, and overall socio-economic welfare of county residents. To effectively discharge its functions, the department operates through five directorates: Trade, Industrialization, Cooperatives, Small and Micro Enterprises, and Alcoholic Drinks & Drug Abuse Control.

Expenditure Trends FY2022/2023-2024/2025

In FY2022/2023-2024/2025, the department was allocated a total of **Kshs.1, 029.6 million** and spent **Kshs. 562.3million**, representing an absorption rate of **55%**. In the FY 2022/2023, the department spent **Kshs.123.8 million** against a target of **Kshs. 224.5 million**, representing an absorption rate of **55%**. In the FY 2023/2024 the department spent **Ksh.146.4 million** against the budget allocation of **Kshs. 301.4 million**, representing an absorption rate of **49 %**. While in the FY 2024/2025 the department spent **Ksh.292.1Million** against the approved budget allocation of **Kshs. 503.7Million**, representing an absorption rate of **58%**.

Major Achievements for FY 2022/2023-2024/2025

During the FY 2022/23–FY 2024/25 MTEF period, the Department implemented a range of programmes that significantly contributed to economic growth, employment creation, investment promotion, and consumer protection across Busia County. In the area of industrialization, the Department commenced and continued implementation of Phase I of the Busia County Aggregation and Industrial Park (CAIP) at Nasewa, a flagship county project jointly funded by the County Government and the National Government at a total cost of Kshs.

500 million. By FY 2024/25, the project had attained 68.9% completion, with substantial progress made on shared infrastructure, factory shells, and support facilities. In addition, construction of the Export Processing Zone (EPZ) progressed to approximately 72%, positioning the County as a future hub for manufacturing, agro-processing, and export-oriented investment.

Under Trade directorate, the Department constructed and operationalized eight markets, including Adung'osi, Murumba, Bukhalalire, Angurai, Tangakona, and Apegei (Phase I) among others, and renovated seven existing markets, namely Busia Main Market, Soko Posta, Bulemia, Chengo, Matayos Auction Ring, Mayenje, and Bukhuyi. These interventions improved hygiene standards, trading conditions, and market access for traders, while enhancing local revenue generation. Additional market facilities such as modern ablution blocks, market fencing, and boda boda sheds were also developed, contributing to safer and more organized trading environments.

In MSME development and trade facilitation, the Department trained over 2,100 traders on enterprise management, compliance, and value addition, exceeding annual targets. They also strengthened the regulatory framework by developing amendments to the Busia County Trade Revolving Fund Act, 2016, and finalizing the Busia County Investment Policy, which was submitted to the County Assembly for approval to guide investment promotion and private sector participation. Cooperatives directorate recorded significant growth, with the registration of 32 new cooperative societies under the Ward-Based Rural Economic Revitalization Programme in collaboration with NAVCDP. Over the MTEF period, more than 105 cooperative societies were formed, while 34 cooperative audits were conducted to improve governance, accountability, and financial compliance. In addition, 522 cooperative leaders and over 5,000 cooperative members were trained in partnership with NAVCDP, KEBS, and MSEA, strengthening institutional capacity and cooperative performance.

In the area of fair-trade practices and consumer protection, the Department enhanced verification and inspection of weighing and measuring equipment. Over the MTEF period, more than 4,000 legal metrology devices were examined, tested and verified, improving accuracy in trade transactions and protecting consumers from unfair practices.

Under alcoholic drinks and drug abuse control, reforms were initiated to strengthen regulation and enforcement by developing a draft bill to repeal the Busia County Alcoholic Control Act, 2014, aligning it with current regulatory and industry standards and enhancing public health and social protection outcomes.

Major Services/Outputs to be provided in the FY2025/2026-2027/2028

Over the medium term, the Department will pursue strategic priorities aimed at strengthening trade, investment, industrialization, and cooperative development to drive inclusive economic growth in Busia County. The Department will seek to increase access to trade and investment by enhancing MSME promotion, improving market and trading infrastructure, and strengthening investment promotion initiatives in order to stimulate business growth, expand revenue streams, and create employment opportunities.

To strengthen fair trade practices, the Department will focus on improving the verification and inspection of weighing and measuring equipment to safeguard consumers, enhance compliance, and promote transparency and confidence in trade transactions. In promoting industrialization, priority will be given to the completion and operationalization of industrial parks, Export Processing Zones (EPZs), and Jua Kali infrastructure. These interventions are expected to attract private investment, support value addition, create jobs, and position the County as a competitive industrial hub. To improve access to cooperative services, the Department will scale up investment in cooperatives through enhanced financing mechanisms, capacity building, and strengthened governance systems. This approach will promote economies of scale, improve member returns, and enhance the sustainability and impact of cooperative enterprises across the County.

Output Linked to CIDP/ADP/CFSP

Key outputs that have been identified on CIDP are MSME loans, grants, and revolving funds disbursed, Markets established, Modern Ablution Blocks constructed, Boda-Boda sheds constructed, Cotton value added, Rice value added, milk value added, Cooperative Enterprise Development Fund Up scaled, Industrial Development and establishment of rehabilitation centres. On ADP, these outputs have been directly replicated in planned period of 2026/2027. Further we have linked all the outputs from CIDP and ADP to the CFSP.

D. Strategic Objectives

CP 6: General Administration and Support Services

To facilitate the coordination of programs within the department

CP 8: Trade Development and Investment

To increase access to trade and Investment

CP 9: Industrialization

To promote industrialization

To undertake these programmes, the FY 2026/27-2028/29 MTEF estimates for the sector are projected to be **Ksh.831, 711,389**. For the FY 2026/27, **Kshs. 251,272,323** has been set aside for the sector. For FY 2027/28 and FY 2028/29 the projections are **Ksh.276, 399,555** and **Kshs. 304,039,511** respectively.

3. Department of Education and Industrial Skills Development

A. Vision

A quality education and training for all to transform Busia into an intelligent County in the front line of global progress and innovation.

B. Mission

To provide accessible, holistic and quality education and training to all, for the socioeconomic and sustainable development of Busia County.

C. Performance Overview and Rationale Funding

Brief description of mandate.

The Directorate of Early Childhood Development Education is **Mandated** to undertake the following tasks: supervision of ECDE curriculum implementation; assess growth; monitoring and development of ECDE children; collecting data for purposes of equitable distribution of resources; capacity building of ECDE teachers and improving the physical environment for ECDE children through construction of classes and provision of outdoor play equipment.

The Directorate of Industrial Skills Development is mandated to undertake Management of Vocational Training Centers through: development of policy guidelines; rules and regulations; implementation of policies; implementation of programmes supported by the various development partners; supervision and management of vocational training centers staff; implementation of Quality Assurance and Standards (QAS), recommendations and promotion of ICT integration and youth innovations; management of instructors and development of the human resource in the vocational education and training centers.

Key Achievement Highlights (FY 2024/2025)

During FY 2024/2025, the Department recorded significant achievements across both directorates.

Under the ECDE Directorate, the Department implemented the School Meals Nutrition and Intervention Programme, benefiting over 46,000 learners in 460 ECDE centres countywide. The programme improved school attendance, retention, and learning outcomes, particularly among children from vulnerable households.

Through the Governor's Flagship Rapid Response Initiative (RRI), construction of 96 ECDE classrooms were launched and commenced across all wards, significantly improving access to safe and child-friendly learning environments.

In addition, the Directorate distributed learning and specialist instructional materials, including assistive devices for learners with disabilities, to ECDE centres countywide, promoting inclusivity and equitable access to education.

Under Vocational Training Directorate, notable progress was made in strengthening VTC infrastructure, including the renovation of Esidende ICT Block, construction of Osuret VTC Admission Block (Phase I), and development of Busagwa VTC Ablution Block, among other facilities. These investments enhanced the quality of training environments and service delivery.

The Department also undertook capacity-building initiatives in collaboration with development partners including UNICEF, World Vision, SHOFCO, and No One Out. Training targeted ECDE teachers, sub-county coordinators, technical staff, and VTC managers, with a focus on training, child development, programme management, and financial management.

Further, in collaboration with the KCB Foundation, the ISD Directorate successfully implemented the Tujiajiri Programme, providing full scholarships to 520 students to pursue technical and vocational training in VTCs across the County. To recognize skills development and promote the dignity of vocational training, the County conducted its first-ever VTC graduation ceremony, marking a major milestone in skills development and youth empowerment.

Constraints and challenges in Budget Implementation

- Untimely disbursement of funds
- Inadequate budgetary allocation (Projects, school meals etc.)
- Late disbursement of capitation to VTCs.
- An overstretched staff establishment in the VTCs. There's a deficit of 69 instructors within the institutions.
- Stagnation of staff in job groups for over 10 years
- Declining of enrolment of trainees in VTCs due to inadequate training material and instructors

Lesson Learnt and Recommendations.

- Enhance budgetary allocation to ensure sustainability of school meals and nutrition program
- Need to sensitize stakeholders on automation of Education support scheme to ensure successful implementation of the program
- Disbursement of capitation to support functions of VTC's as anchored in The Fourth Schedule of the Constitution.
- Employment of instructors in VTCs to fill the vacancies created by the outgoing staff.
- Promotion of staff.
- Increase budgetary allocations for development projects to ensure VTCs have enough workshops.

D. Strategic Objectives

CP 9: General Administration and support services

To facilitate the coordination of Education programs within the department

CP 11: Early Childhood Development Education

To increase access to equitable and quality early childhood education

CP 12: Vocational Training Development

To increase access to equitable and quality Vocational Training

To undertake these programmes, the FY 2026/27-2028/29 MTEF estimates for the sector are projected to be **Ksh.2,847,450,038** For the FY 2026/27, **Kshs. 860,256,809** has been set aside for the sector. For FY 2027/28 and FY 2028/29 the projections are **Ksh.946, 282,490** and **Ksh.1, 040,910,739** respectively.

4. The County Treasury and Economic Planning

A. Vision

A prosperous County committed to prudent financial management, economic planning and technological innovations

B. Mission

To provide high quality financial, economic and advisory services through efficient and effective fiscal planning, resource mobilization, budget administration, coordination, formulation and implementation of policies and programs for accelerated, equitable and sustainable development for the citizens of Busia County through technological innovations

C. Performance Overview and Rationale for Funding

Brief Description of Mandate

The department comprises of two sections each headed by a Chief officer; County Treasury and Economic Planning. The County Treasury Section consists of four directorates namely Accounting Services, Supply Chain management, Revenue and Budget while Economic planning section consists of Economic Planning, County Bureau of Statistics, Internal Audit and Monitoring and Evaluation.

The County Treasury section consists of Directorate of Budget whose role is preparation of County budget and planning documents, Directorate of Accounting Services mandated to undertake payments and preparation of financial and non-financial reports, Directorate of Revenue is responsible for collection of own- source local revenue, Directorate of Internal Audit which is responsible for carrying out audits of the County projects to ensure value for money is realized and Directorate of Supply Chain Management which undertakes procurement of goods and services for various County entities. Economic Planning section consists of Directorate of Monitoring and Evaluation responsible for continuous monitoring of County projects during the implementation phase as well as end term evaluation to assess the impact of projects, Directorate of County Bureau of Statistics responsible for coordinating development, production and dissemination of statistics emanating from the various departments and agencies of the County Government and Economic Planning Directorate that prepares development plans, provide advice on planning and economic policy issues to the

executive and undertaking economic analysis among others.

The department is accountable for the financial management of the County Treasury. Its key functions are; revenue collection and Management; planning and budgeting, appropriate procurement of goods and Services, formulation and promotion of County fiscal and economic policies.

Departmental key performance

Key achievements Highlights

Effective budgeting and planning processes were undertaken in a timely manner, significantly contributing to the successful implementation of county priority programmes and projects across various departments. These processes provided a solid foundation for coordinated development efforts, ensuring that resources were allocated efficiently and aligned with the county's strategic objectives. In addition, the department consistently provided technical support, expert advice, and guidance on fiscal and budgetary matters to all stakeholders within the county, thereby enhancing informed decision-making and promoting financial discipline.

The Directorate of Supply Chain Management made notable progress in strengthening procurement systems through the enhanced adoption and implementation of e-procurement. This approach improved efficiency, transparency, and accountability in the acquisition of goods and services, while ensuring full compliance with the Public Procurement and Asset Disposal Act, 2015. By embracing digital procurement platforms, the directorate not only streamlined processes but also minimized risks associated with manual systems.

Similarly, the Directorate of Accounting Services effectively executed its mandate by ensuring proper control and accurate accounting for the receipt and expenditure of public funds. This was achieved through the development and enforcement of sound financial policies and procedures, strict administration of applicable legislation, and the timely preparation of financial statements as well as both financial and non-financial reports. These measures reinforced accountability and enhanced the integrity of the county's financial management framework.

The Directorate of Economic Planning also played a pivotal role in advancing the county's development agenda. It successfully undertook the formulation, coordination of implementation, monitoring, and evaluation of economic development plans, policies, and

strategies. In particular, the directorate spearheaded the preparation of the Annual Development Plan, which serves as a key planning instrument guiding the county's development priorities. Furthermore, through the Monitoring and Evaluation (M&E) unit, the directorate facilitated the systematic tracking of county projects and oversaw the partial operationalization of the e-County Integrated Monitoring and Evaluation System (e-CIMES), thereby strengthening performance management and accountability.

In a bid to enhance data-driven decision-making, the department also established a statistical unit to support the collection, analysis, and dissemination of critical data. This initiative has improved the availability of reliable statistics necessary for planning, policy formulation, and evaluation of development outcomes.

Overall, the department demonstrated strict adherence to the Public Finance Management Act and other relevant financial laws and regulations. This compliance underscores its commitment to upholding transparency, accountability, and prudent financial management in the execution of its mandate.

Constraints and challenges in Budget Implementation

- Data obtained from the department is not always adequate and sometimes not verifiable hence the need to come up with a framework for the County government to collaborate and partner with KNBS in conducting surveys
- Inadequate infrastructure to harness and maximize revenue generation from various streams. Furthermore, there is limited infrastructure for full automation of all revenue sources.
- Inadequate capacity building and training for the staff to meet the changing dynamics of operations.
- Lack of audit management tools; Essential audit management software

Lesson Learnt and Recommendations.

- The department to establish a data Center
- The department to establish ERP system to automate County services and processes

Outputs and linkage to CFSP/ADP/CIDP

The department's Programmes are aligned to the CIDP 2023-2027, ADP 2025, CBROP 2025 and CFSP 2025 with the prospects of providing high quality services to the Citizens and advocating for prudence and accountability in the utilization of public resources.

D. Strategic Objectives

CP 12: General Administration and Support services

Improve Efficiency in co-ordination of service delivery to County departments

CP 14: Public Financial Management

To improve public financial management

CP 15: Economic Policy and Planning

To Improve Economic Policy formulation, planning and M&E

To undertake these programmes, the FY 2026/27-2028/29 MTEF estimates for the sector are projected to be **Ksh.2,798,089,464** For the FY 2026/27, **Ksh.845,344,249** has been set aside for the sector. For FY 2027/28 and FY 2028/29 the projections are **Ksh.929, 878,674** and **Ksh.1, 022,866,541** respectively.

E. Summary of the Programme Key Outputs, Performance Indicators and Targets

A. Vision

A socially self-driven and empowered community.

B. Mission

To mobilize the Busia Community for sustainable social protection, talent nurturing, heritage preservation and creating equal opportunities for children, youth, women, PLWDs, Older Persons and other vulnerable groups for holistic growth and development.

C. Performance Overview and Rationale for Funding

Brief Description of Mandate

The department is comprised of five directorates namely; Sports, Youth Affairs, Tourism, Gender, Culture and Social Services. The department is mandated to mobilize the communities in Busia County for sustainable social protection, talent nurturing and creating equal opportunity for Youth, Women, PWDs, Older Persons and other vulnerable groups for holistic growth and development.

Expenditure Trends FY 2021/2022-2023/2024

In the FY 2021/2022 the department was allocated **Kshs. 217.2Million** against expenditure of **Kshs.117.3Million**, representing an absorption rate of **54%**. The department's allocation for FY 2022/2023 was **Kshs. 178Million** against expenditure amount of **Kshs.103.8Million**, representing an absorption rate of **58%**

Key Achievements

Kenya Inter-County Sports and Cultural Association (KICOSCA) Participation:

The department proudly participated in the KICOSCA games, where the Men's and Ladies' Tag of War teams emerged champions, showcasing exceptional teamwork and strength.

The Scrabble team finished second, demonstrating skill and strategy in a competitive environment.

The Ajua team secured third place, reflecting the department's growing talent across a range of disciplines.

Celebration of International Days:

Successfully organized and celebrated International Youth Day, Mashujaa Day, and Jamhuri Day, with a focus on promoting youth engagement, patriotism, and national unity through various events and activities.

County Cultural Activities:

Hosted a memorable County Cultural Festival, bringing together diverse cultures from all eight sub-counties, offering a unique platform to celebrate and promote Busia's rich cultural heritage. The Directorate of Youth conducted a Youth Talent Search, identifying and nurturing emerging talent across various fields.

Ward Sporting Activities and Governors Cup:

The Directorate of Sports organized successful ward-level sporting events, engaging communities and fostering healthy competition.

Winners from these events went on to compete in the inaugural Governors Cup, a countywide tournament that spotlighted exceptional athletic talent.

Completion of Bumbe Cultural Center:

Achieved the successful completion of the Bumbe Cultural Center, creating a vibrant space for cultural exchange, community events, and tourism development.

Miss Tourism Beauty Pageant Competition:

The department hosted the Miss Tourism Beauty Pageant, which saw contestants from across the county compete for the title of Busia County Tourism Ambassador, celebrating the county's beauty and promoting tourism.

Annual Boat Racing Competitions:

Successfully executed the annual boat racing competitions at Marenga and Bumbe Beaches. The events attracted a significant number of tourists, enhancing the local tourism experience and generating greater interest in Busia's lake tourism.

Stakeholder Engagement in Business Tourism:

Formed a strategic partnership with Kenyatta International Convention Centre (KICC) to promote business tourism in Busia County, focusing on Meetings, Conferences, Events, and Exhibitions. This collaboration aims to enhance Busia's visibility as a premier destination for business and corporate events

Constraints and challenges in Budget Implementation

- The department's budget ceiling is significantly lower than its actual needs, particularly considering the broad community-based programs it manages. This budget shortfall limits the department's ability to implement key programs and fully achieve its mandate.
- Delays in the disbursement of funds from the National Treasury have hindered the timely implementation of key programs, causing disruptions and delays in project execution.
- Prolonged procurement processes have led to delays in the implementation of programmed activities, affecting the department's overall performance.
- Service providers have become reluctant to offer services due to long-standing pending bills, leading to delays in executing programs and services.

Lesson Learnt and Recommendations.

- The County Treasury should increase the department's budget ceiling to better align financial resources with the department's actual needs. This will ensure the department has adequate funding to implement its key programs and achieve its mandate effectively.
- Advocate for the timely release of funds by enhancing communication and collaboration with the National Treasury.
- Explore local revenue generation avenues to reduce dependency on national government funds and mitigate financial delays.
- Improve the efficiency of procurement processes by providing additional training for staff and exploring fast-track procurement procedures for time-sensitive activities.
- Prioritize the clearance of pending bills to maintain good relations with service providers and ensure continued collaboration.

Major Services/ Outputs to be provided in the FY 2025/2026-2027/2028 Medium Term Budget

Directorate of Sports

The county is committed to strengthening the sports sector through talent identification and development at the grassroots level, ensuring a steady pipeline of skilled athletes. It also supports its teams participating in the Kenya Youth Inter-County Sports Association tournament, enabling them to compete effectively at the national level.

Further efforts include the procurement of modern sporting equipment to enhance training and performance, as well as the upgrading of Malaba Sports Complex to provide improved facilities for training and competitions. These initiatives collectively aim to promote sports development, youth empowerment, and community engagement.

Directorate of Culture and Social Services

The county promotes cultural development and social inclusion by organizing community cultural festivals and participating in global celebrations led by UNESCO. It is also developing a cultural and heritage policy to guide preservation and integration of culture into development.

Additionally, the county supports vulnerable groups by providing assistive devices to persons living with disabilities and implementing empowerment programmes for the elderly, youth, and women, with the aim of improving their well-being and inclusion.

Directorate of Youth Affairs

The county is committed to empowering youth through mentorship in entrepreneurship and business development, equipping them with skills for self-reliance. It also organizes and participates in International Youth Day celebrations to engage and recognize young people.

Further initiatives include training and capacity building for youth leaders and associations, organizing talent search and entrepreneurship competitions, and constructing Sub-County Youth Centres to provide spaces for learning, innovation, and development.

Directorate of Gender

The county promotes gender equality through programs advocating against gender-based violence, raising awareness, and encouraging behavioural change. It has also developed and implemented a comprehensive gender policy to address disparities and ensure inclusivity.

Additionally, sensitization events on gender mainstreaming and affirmative action empower marginalized groups and foster equitable participation in development.

Directorate of Tourism

The county promotes tourism by organizing the annual Miss Tourism event, which showcases local culture and attracts visitors. It has also mapped and documented tourism sites and hotels to support planning and investment. Additionally, the county conducts marketing and promotional activities and engages key stakeholders to foster collaboration, enhance visibility, and develop a sustainable and economically impactful tourism sector.

D. Strategic Objectives

CP 15: General Administration and Support services

Efficient, Effective and co-ordinated service delivery

CP 16: Cultural Promotion and Development

To Increase Cultural promotion and development

CP Child Care, Right and Protection

To enhance childcare, right and protection

CP 19: Youth Empowerment and Development

To increase access to youth empowerment and development services

CP 20: Promotion and Development of Sports

To Promote and Develop Sports

To undertake these programmes, the FY 2026/27-2028/29 MTEF estimates for the sector are projected to be **Ksh.614, 154,559**. For the FY 2026/27, **Ksh.189, 034,610** has been set aside for the sector. For FY 2027/28 and FY 2028/29 the projections are **Kshs. 202,438,071** and **Kshs. 222,681,878** respectively.

E. Summary of the Programme Key Outputs, Performance Indicators and Targets

Programme	Sub-programme	Objective	Outcome	Key Output	Performance Indicators	Baseline FY 2025/2026	Planned Target FY 2026/2027	FY 2027/2028	FY 2028/2029
General Administration and support services	Administrative Support Services.	Efficient and Effective Co-ordination of Administrative support services	To improve on quality service delivery	Improved and high-quality services	%Achievement of the set Programme	100%	100%	100%	100%

6. Department of Transport, Roads and Public Works

A. Vision

To develop quality, reliable, sustainable & resilient infrastructure and provide access to safe affordable public transport systems.

B. Mission

To expand public transport and build infrastructure with special attention to the needs of women, children and people with disability through the production of appropriate designs and increase investment.

C. Performance Overview and Rationale for Funding

Brief Description of Mandate

The department is made up of three directorates namely: Transport, Roads, and Public Works. Its mandate is to provide an enabling environment for investment in the county and sustain standard road networks and public infrastructure. Further, the department gives technical and supervisory assistance to other departments in project implementation. The priority focus of the department is the development and maintenance of county road infrastructure, road safety campaigns, building works, and public transport and safety.

Expenditure Trends

In the year **2022/2023** the department was allocated **Kshs. 566M** and managed to absorb **Kshs. 454M** which translates to an absorption rate of **80%**.

In the **FY 2023/2024** the total allocation was **Kshs. 772M**, and **Kshs. 687M** was absorbed translating to **89%**. In the year **2024/2025** the allocation was **Kshs. 909M** and absorbed **Kshs. 868M** which is **95.5%** absorption as indicated in the County Budget Review and Outlook Paper (CBROP).

Key achievements

In the year **2022/2023**, the department reconstructed Bubamba and Sidokho timber culvert. Access culverts within Busia Municipality were constructed too. The Agricultural Mechanization Unit at Bumala was Fenced and graded. 130.7 kms of roads were graded and gravelled. Among these roads include Shepe – Okatikok road, Oshia market road, Ndekewe –

Sidokho road, Abiri road, Mzee Emuria road, Muruka -Mung'abo road, Odekure – Koteko road and Kholokhongo road among others.

In the year 2023/2024, a total of 170 projects from various client departments were documented, under the public works directorate. Out of these, approximately 40% were successfully tendered and are in the implementation phase. The major projects documented include: Construction of county aggregation industrial park, proposed construction of the export processing zone at Nasewa, construction of designated parking slots in Busia municipality, construction of Economic stimulus programme markets in Busia County.

Under machine hire and routine maintenance programme; the directorate maintained approximately 173 km of roads to gravel standards and installation of pipe culverts across the 35 wards. 100 Of these were implemented using the county owned machines.

A total of 12 box culverts were initiated; 3 of which are complete, namely Musirira box culvert, Kabura box culvert and access culverts within Busia municipality. A building material testing laboratory is being constructed. This is a game changer as residents of Busia will be saved the hustle of traveling to Bungoma or Kisumu. This will also generate revenue for the county of Busia as neighbouring counties like Siaya will be served here. A major storm water management system was developed within Busia town.

The directorate of roads managed to upgrade the following roads to bitumen standards to facilitate all weather access to key areas of socio-economic importance; Adung'osi police station Road 0.78 km, Khunyangu hospital access road 0.628 km, Lukolis Market access road 0.16 km, Nambale market access road 0.46 km giving a total of 2.028 km and Kocholia Market access road 0.30 km to cabro standards.

In the year 2024/2025, the Directorate of Roads did routine maintenance of a total of 786.21 km of roads in various sub-counties, and opened, a total of 170.28 km of new roads, using the County Roads Infrastructure Improvement Programme (CRIIP). In addition, the department completed the upgrading of the C778 Bukiri-Takhumba-Mumbaka 6.0 km road to bitumen standards.

The Directorate of Public Works documented a total of 215 projects from various client departments. Out of these, approximately 162 projects (75%) were successfully tendered and

implemented. Under in-house programmes, it initiated six (6) projects. Out of these projects, 4 are successfully completed and now in use namely, Kalararan and Namboboto-Nambuku culverts, Okello Bukeke box culvert and construction of Bukhayo west ward office, 3 ongoing; Sidukhumi, Karekipi-Kakoli and Agonget phase II box culvert and 1 terminated project; Haika canal.

The Directorate of Transport and Fleet Management equipped the Mechanical Fabrication Workshop and did the routine maintenance of Road Construction Equipment and farm tractors. One utility boat was procured, and four (4) boats were repaired. It also supported other departments with motor vehicles, including pre- and post-maintenance inspections. Technical assistance in the preparation of specifications for the acquisition of motor vehicles, machines, equipment and plants and pre-delivery inspection

Constraints and challenges in Budget Implementation

- Critical vacancies in technical cadres e.g., surveyor, GIS Officer, etc.
- Premature failure of gravel roads caused by unregulated axle loads from heavy transporters e. g cane transporters and building material transporters.
- Structural undermining of roads and culverts due to illegal roadside sand harvesting, resulting in costly emergency repairs.
- Aging construction fleet characterized by high maintenance costs and frequent operational downtime.
- Litigation issues on road reserve-related disputes that stall or delay projects.
- Inadequate dedicated vehicles for field work, hindering supervisory work.
- Low uptake of advertised projects due to pending and unpaid bills leading to supplier apathy

Lesson Learnt and Recommendations.

- **Leveraging on technology:** The department proposes to equip technical staff in the directorate with Computer Aided Design skills and adapt computer-aided design (CAD) software such as AutoCAD & Civil 3D for design, documentation of roads and development of quantities.
- **Human resource management and development:** The department will endeavour to implement an organizational structure and authorized establishment to achieve the desired staffing levels with a clear reporting structure.
- **Client department representation in design Process:** Going forward, the plan is to invite client department representatives to participate in the design process with an aim to improve the quality of designs. This collaborative approach will ensure that designs meet client requirements and expectations.
- **Standard design templates and cost estimates:** Developing standard design templates and cost estimates will help to prevent under-budgeting of projects. This systematic approach will also provide a reliable basis for budgeting, enhancing financial planning and project feasibility.
- The Department seeks to establish a revolving fund for mechanical and transport functions to assist in the timely maintenance of the equipment and acquisition of new fleets and equipment.

The key priority areas in the medium term will be;

- Routine Maintenance of County Roads
- Upgrading of County Roads to Bitumen standards
- Construction of minor and major drainage (Bridges & Box Culverts) Countywide.
- Emergency roads and public works, road and water safety campaign programme, construction and equipping of material laboratory
- Maintenance of county machinery and equipment

Major services/outputs to be provided in the FY 2026/2027 – 2027/2028 MTEF and link to CIDP, ADP and CFSP

i. Key Outputs

The county is enhancing its transport infrastructure to boost connectivity, economic growth, and service delivery. Key initiatives include upgrading roads to bitumen standards for

durability and safety, constructing comprehensive road drainage networks to prevent damage, and building bridges and box culverts to ensure year-round access. These efforts aim to create a modern, resilient, and efficient road network that supports trade, agriculture, and improved quality of life for residents.

ii. **Linkage with CIDP, ADP and CFSP**

The programmes to be funded in the budget estimates 2026/2027 are drawn from the CIDP 2023-2027 and ADP 2025/2026 and adheres to the ceilings set in the CFSP 2026/2027.

D. Strategic Objectives

CP 20: General administration support services

To facilitate the coordination of programs within the department

CP 22: Road Network

To increase road network across the county.

CP 23: Alternative Transport Infrastructure Development

To undertake these programmes, the FY 2026/27-2028/29 MTEF estimates for the sector are projected to be **Ksh.2, 078,640,482**. For the FY 2026/27, **Ksh.627, 988,061** has been set aside for the sector. For FY 2027/28 and FY 2028/29 the projections are **Ksh.690, 786,867** and **Ksh.759, 865,554** respectively.

E. Summary of the Programme Key Outputs, Performance Indicators and Targets

Programme	Sub-programme	Objective	Outcome	Key Output	Performance Indicators	Baseline FY 2025 /2026	Planned Target FY 2026 /2027	FY 2027 /2028	FY 2028 /2029
General Administration and support services	Administrative Support Services	Efficient and Effective Co-ordination of Administrative support services	To improve on quality service delivery	Improved and high-quality services	%Achievement of the set Programme	100%	100%	100%	100%

7. Department of Public Service Management

A. Vision

To be a benchmark for high performing, dynamic and ethical public service.

B. Mission

To facilitate a safe environment for an effective and productive work force that guarantees personal growth and sustainable development.

C. Performance overview and Rationale for funding

Brief Description of Mandate

The Department of Public Service Management is composed of three sections namely; Human Resource, Security and Enforcement, Public Administration and Communication. In discharging its functions, the department liaises with the County Public Service Board in coordinating Human Resource and Records management functions.

The Department is charged with ensuring effort utilization and maximum development of human resource to embrace modern delivery, creating a harmonious working relationship between Management and employees, ensuring conformity to the relevant laws and regulations, streamlining and automating records management system, and ensuring effective administrative services.

The strategic goals plan and objectives of development are to provide a conducive environment for effective and efficient workforce when embracing modern technology for delivery of quality service.

Mandate

The Department, as mandated under Executive Order No. 1 of 2023, is tasked with a comprehensive range of human resource and organizational management functions designed to enhance the efficiency and effectiveness of the county workforce. Its core responsibilities include human resource management and development, records management, staff performance management, and the training and capacity building of personnel. Additionally, the department is charged with organizational design and development, industrial relations, and the management of staff benefits and welfare schemes, ensuring that employees are well-supported both professionally and personally.

A critical aspect of the department's mandate is the provision of guidance and counselling services, including initiatives addressing HIV and AIDS, alongside the management of employee relations and the promotion of staff cohesion. Through these interventions, the department fosters a positive and harmonious working environment that encourages collaboration, productivity, and mutual respect among staff members. Furthermore, the department is responsible for staff payroll management, ensuring timely and accurate disbursement of salaries and related entitlements.

The strategic goal of the department is to provide a conducive environment for a motivated, efficient, and effective workforce. Its plan and objectives emphasize the integration of modern technology to streamline human resource processes, improve service delivery, and uphold high standards of performance. By aligning its operations with contemporary best practices, the department seeks to create a professional, innovative, and responsive workforce capable of meeting the county's development priorities and delivering quality services to the public.

Key Achievements

The department has made significant strides in strengthening human resource management and fostering a supportive, fair, and productive work environment. A central focus has been ensuring strict adherence to HR policies and labour laws, thereby promoting accountability, fairness, and compliance across all levels of the workforce. This commitment to regulatory compliance has provided a solid foundation for effective staff management and organizational efficiency.

In its efforts to enhance performance, the department undertook a comprehensive revamping of the performance contracting framework. This initiative has improved the clarity of objectives, strengthened accountability, and motivated employees to achieve higher standards of productivity. Complementing this, targeted staff training on critical issues such as alcohol, drug, and substance abuse has contributed to healthier workplaces, while pre-retirement training ensures that employees are adequately prepared for life after active service.

The management of staff pensions has been carried out efficiently, ensuring timely processing and disbursement, while broader welfare initiatives have promoted staff cohesion through the enforcement of fair labour practices. The department has also implemented measures to safeguard minimum earnings, ensuring that no staff member earns below a third of their basic salary, and facilitated staff with disabilities in obtaining the necessary tax exemption certificates to enhance their financial well-being.

Furthermore, staff have been sensitized on proper records management, fostering accountability and the organized handling of official documents. Efforts to reduce salary payments outside the Integrated Payroll and Personnel Database (IPPD) have strengthened financial discipline and transparency, ensuring accuracy and efficiency in payroll management.

Through these concerted interventions, the department has succeeded in creating a more equitable, efficient, and supportive work environment. By prioritizing employee welfare, professional development, and compliance with legal frameworks, the department continues to cultivate a motivated and high-performing workforce capable of driving the county's development agenda.

Constraints and challenges in Budget Implementation

- Inadequate working space for staff
- Insufficient Budgetary Allocation, hence limiting the scope for service delivery as most programs are underfunded.
- Insufficient workforce hence limiting the performance output per staff as most staff are overworked.
- Mobility challenges- lack of motor vehicles and motor cycles for supervision.

Lesson Learnt and Recommendations.

- Collaborating with non-state actors is effective in resource mobilization
- Need for early planning.
- Need for adequate Budgetary allocation
- Continuous consultation between elected and administrators is key in-service delivery

Way Forward

- Timely disbursement of funds to departments to ensure programs run as per the timelines.
- Prudent use of allocated resources.
- Early Planning should be adhered to so as to ensure the intended purposes for funding is achieved.
- Construction of all Sub County Headquarters that can accommodate all County at the Sub County Level.
- Construction of model ward offices to avoid renting shops
- Purchase one vehicle per sub-County and motor bikes for wards and village administrators.

- Provide adequate budget for office operations and capacity building
- Recruitment of casual support staff to assist village administrators.

D. Strategic Objectives

CP 22: General Administration and support services

To increase efficiency and effectiveness in public service delivery

CP 25: Devolution Support

To strengthen institutional capacity, enhance infrastructure, and promote efficient and effective service delivery across county departments through targeted devolution support initiatives.

To undertake these programmes, the FY 2026/27-2028/29 MTEF estimates for the sector are projected to be **Ksh.3,645,096,975** For the FY 2026/27, **Kshs. 1,101,237,757** has been set aside for the sector. For FY 2027/28 and FY 2028/29 the projections are **Ksh.1, 211,361,533** and **Ksh.1, 332,497,686** respectively.

E. Summary of the Programme Key Outputs, Performance Indicators and Targets

Programme	Sub-programme	objective	Outcome	Key Output	Performance Indicators	Baseline FY 2025 /2026	Planned Target FY 2026 /2027	FY 2027 /2028	FY 2028 /2029

8. Department of Lands, Housing and Urban Development

A. Vision

Sign

Date 15th July 2026

An excellent Department in land and urban management, and in the provision of affordable, high-quality housing for sustainable development.

B. Mission

To facilitate the improvement of the livelihoods of Kenyans through efficient administration, equitable access, secure tenure, suitable management of land resources, and access to adequate housing.

C. Performance Overview and Rationale Funding

Background Information and Brief Description of Mandate

The sector is composed of directorates of Lands, Survey, Physical planning, Housing and Urban development, and the two municipalities, Busia and Malaba. Both directorates of Lands and Survey deal with the management of public land, surveying all public lands and resolving boundary disputes. Physical planning deals with the preparation of land-use plans and development controls. The Housing Directorate provides management and maintenance services for government houses, including renovation and refurbishment. It offers technical advisory services to county government offices and training on Appropriate Building Materials and Technology. Urban development facilitates sustainable development in urban areas.

Major Achievements for FY 2022/2023-2024/2025 Budget

Through the municipality of Busia, courtesy of the World Bank, 0.8 km of Alupe ring road was tarmacked. The department has continued to manage solid waste by sub-contracting 21 firms across the county. During the planned period 2022-2023, the department successfully embarked on a reorganization programme of all urban Centres across the county, which is still ongoing. This programme paved the way for the implementation of development projects, such as the construction of designated parking areas.

For the financial year 2023/2024, the Department of Lands, Housing and Urban Development initiated the process of developing the County Physical and Land Use Development Plan (County Spatial Plan), which is jointly prepared with the National Government State Department of Physical Planning team. So far, a concept paper and a survey report have been

prepared, and the survey report is awaiting approval by the County Assembly. The department also established a GIS Lab funded by the Food and Agriculture Organization (FAO). Under the directorate of Urban Development and Physical Planning, construction of parking slots and pathways commenced, and it is still in progress. The pathways aimed to boost revenue from parking fees through additional parking spaces and to beautify Busia town.

Under the programme of County Land Administration and Planning, the department successfully purchased land for the ward office at Marachi East, a ward-based project.

In the financial year 2024/2025, a total of 2.832 acres of land was acquired. One (1) acre for Totokakile Dispensary, (0.6) acres for Apegei Dispensary- Chakol North, One (1) acre for Sigulu Dispensary-Nangina Ward, (0.12) acre for Mabale Dispensary and (0.19) acres for Khusuna ECDE in Bunyala South ward.

Within the municipalities, Busia Municipality repaired two skip bins used for solid waste management.

Constraints and challenges in Budget Implementation.

- Budget cuts due to changes in priority
- Delay in disbursement of funds.
- No bidders
- Inadequate digital planning data and information. The only data available currently is in manual form that takes a bit of time to peruse through and lack of GIS machines.
- Lack of a spatial plan that delays topographic, ecological and demographic planning.

Lesson Learnt

There is a need for:

- Strict adherence to the set priority from the onset of budget cycle
- Strengthening departmental monitoring and evaluation.
- Sensitize the contractors on timely access to online procurement
- Timely surveying, tilting, and fencing of purchased parcels of land to reduce encroachment.
- Capacity-build the staff for effective and efficient delivery of services
- Provide budgetary allocation for monitoring and evaluation of projects being implemented across the county.

Strategic Objectives

CP 24: General Administration and support services

To provide an effective and efficient logistical support system to improve delivery service.

CP 25: Physical Planning and Land Use Management

To consolidate all government lands through land banking

CP 28: Housing Development and Management

To provide adequate, affordable, and quality houses and offices for county staff and county residents in collaboration with the National Government.

To undertake these programmes, the FY 2026/27-2028/29 MTEF estimates for the sector are projected to be **Ksh.358, 277,942**. For the FY 2026/27, **Kshs. 108,241,070** has been set aside for the sector. For FY 2027/28 and FY 2028/29 the projections are **Ksh.119, 065,177** and **Ksh.130, 791,695** respectively.

D. Summary of the Programme Key Outputs, Performance Indicators and Targets

9. Busia Municipality

A. Vision

A leading competitive regional economic hub.

B. Mission

Transform the Municipality into an excellent institution in unmatched service delivery and infrastructure development.

C. Performance Overview and Rationale Funding

Background Information and Brief Description of Mandate

Mandate

Our mandate is to administer and manage the Municipality of Busia as per the Municipality charter and urban areas and cities act.

Core values

The department is guided by a set of core values that underpin its operations and shape the way it delivers services to the public. Foremost among these is efficiency in service delivery, reflecting a commitment to timely, effective, and high-quality performance in all aspects of its mandate. By prioritizing efficiency, the department ensures that resources are optimally utilized and that the needs of the community are met promptly and reliably.

Equally important is the respect of the community, which underscores the department's dedication to serving with empathy, fairness, and consideration for the diverse perspectives and needs of the people it serves. This value fosters trust, strengthens relationships, and ensures that public service remains people-centred.

Unity of purpose is another guiding principle, promoting collaboration and collective effort among staff and stakeholders. By working together toward common goals, the department enhances coordination, reduces duplication, and achieves more meaningful and sustainable outcomes.

Integrity in operations remains a cornerstone of the department's values, ensuring that all actions are guided by honesty, transparency, and ethical conduct. This commitment builds credibility and confidence in the department's activities, reinforcing the public's trust in its processes and decisions.

Finally, accountability in resource management ensures that all resources—financial, human, and material—are used responsibly, transparently, and in line with established regulations and standards. By upholding accountability, the department demonstrates stewardship, minimizes wastage, and maximizes the impact of its interventions.

Collectively, these core values provide a strong ethical and operational framework, enabling the department to deliver its mandate effectively while maintaining public confidence and promoting sustainable development.

Core Mandate of Busia Municipalities

As envisaged under section 20 of the Urban Areas and Cities Act, 2011 (Amended 2016 & 2019) and the Municipality Charters.

The Municipality of Busia was established pursuant to the Urban Areas and Cities Act of 2011 (Amended 2016 & 2019) and Municipality of Busia Charter, gazetted in 2018. It qualified to be a municipality not only because it's the headquarters of Busia County, but also because it met the 50,000 minimum population thresholds set for the conferment of Charter and Municipal status on legible urban centres. The Municipality covers three administrative wards: Burumba, Angoromo and Mayenje wards and they are areas facing a rapid population increase hence the need for a strategic approach to planning. The Municipality has a fully constituted and functioning board and management.

Our mandate is to administer and manage the municipality of Busia as per the municipality charter and urban areas and cities act.

The Municipality also serves as the headquarters of Busia County plays a major functional role as a gateway to Uganda and the central African countries. It is a major Commercial hub on this apart of the county. These Commercial activities include: - Hotels, Wholesale & Retail shops, Banks, Clearing and Forwarding offices. There are various Institutions both Public and Private

– within Town e.g. Newly established Medical Training College, at Alupe and Busia Level 5 Hospital, KEMRI, KEFRI, Rehabilitation and Orphan Homes, Youth polytechnic etc. There are small scale industrial activities such as bakeries, Juakali among others.

D. Strategic Objectives

CP 27: General Administration and Support Services

Promoting Sustainable Urban Development, and Improving Service Delivery

CP 51: Urban Management Services

To facilitate sustainable development of Busia Municipality

To undertake these programmes, the FY 2026/27-2028/29 MTEF estimates for the sector are projected to be **Ksh.684, 598,399**. For the FY 2026/27, **Ksh.206, 827,311** has been set aside for the sector. For FY 2027/28 and FY 2028/29 the projections are **Ksh.227, 510,042** and **Ksh.250, 261,046** respectively.

E. Summary of the Programme Key Outputs, Performance Indicators and Targets

Programme	Sub-programme	Objective	Outcome	Key Output	Performance Indicators	Baseline FY 2025 /2026	Planned Target FY 2026 /2027	FY 2027 /2028	FY 2028 /2029

10. Malaba Municipality

Overview

Malaba Municipality is the newest municipality in Busia County created in line with the Urban Areas and Cities Act, 2011 with an intention to provide better services and distribute county resource to the residents. Upon satisfying the criteria needed to be classified as a municipality and in exercising the powers conferred in section 9(1) of the Urban Areas and Cities Act 2011 augmented by section 72 of the Interpretations and General Provisions Act (Chapter 2) and all other enabling provisions of law, Malaba Municipality was granted the Municipal charter on 27th March 2020. The municipality has a board duly constituted as per the Act and the Municipal Manager to operationalize its activities. The board members were gazetted on 14th November 2023

A. Vision

Is to expedite excellence in Land Management and Provision of Excellent, Affordable and Quality Housing for sustainable development.

B. Mission

Is to facilitate improvement of livelihoods of Kenyans through efficient administration, equitable access, secure tenure, sustainable management of land resource and access to adequate housing.

C. Performance Overview and Rationale Funding

Background Information and Brief Description of Mandate

It is the second and most recently classified urban Centre. It is in the Teso region of Busia County and covers four administrative wards, i.e., Malaba North, Malaba Central, Malaba South, and Amukura West. The Municipality covers approximately 129,179 square kilometres. As per the 2019 census, the Municipality hosts approximately 92,010 people, and it is projected that the population will rise to 105,447 by the year 2025.

The Municipal charter was issued on 27th March 2020 and gazetted vide gazette notice no. 3247 of 7th April 2020. The Municipality was upgraded from a town that, before the onset of devolution, was known as Malaba Town Council.

As envisaged under section 20 of the Urban Areas and Cities Act, 2011 (Amended 2016 & 2019) and the Municipality Charters.

To administer and manage the municipality of Busia as per the municipality charter and urban areas and cities act.

The Municipality plays a major functional role as a gateway to Uganda and the central African countries. It is a major Commercial hub on this apart of the county. These Commercial activities include: - Hotels, Wholesale & Retail shops, Banks, Clearing and Forwarding offices. There are various Institutions both Public and Private – within Town, there are small scale industrial activities such as bakeries, Juakali among others.

D. Strategic Objectives

CP 29: General Administration and Support Services.

Enhancing cross-border trade and improving service delivery.

CP 30: Urban Management Services

To facilitate sustainable development of Malaba Municipality

To undertake these programmes, the FY 2026/27-2028/29 MTEF estimates for the sector are projected to be **Ksh.204,397,644** For the FY 2026/27, **Ksh.61,751,554** has been set aside for the sector. For FY 2027/28 and FY 2028/29 the projections are **Ksh.67, 926,709** and **Ksh.74, 719,380** respectively.

11. Department of Water, Environment, Irrigation, Natural Resources and Climate

A. Vision

Reliable access to clean, safe water and energy, and a secure environment for sustainable development.

B. Mission

To ensure sustainable management of water, environment, irrigation, natural resources and energy, fostering resilience against climate change and securing a prosperous future for all.

C. Performance Overview and Rationale Funding

Brief description of mandate.

The Department is mandated to ensure sustainable provision of water services, environmental conservation, irrigation development, natural resource management, climate change adaptation and mitigation, and promotion of renewable energy to improve livelihoods and environmental sustainability.

The Department operates through six directorates: Water, Irrigation, Environment, Natural Resources, Climate Change, and Energy.

Key Achievement Highlights.

The Department enhanced water infrastructure by extending pipelines, developing water storage facilities, drilling and solarizing boreholes, and installing meters to reduce non-revenue water, benefiting over 17,000 households. Additionally, the County Water and Sanitation Policy was developed to strengthen water resource governance.

In irrigation, progress included the rehabilitation of the Lukach smallholder irrigation scheme and the establishment of a demonstration irrigation scheme at ATC. The Climate Change Directorate formulated the County Climate Change Action Plan, implemented lightning arrestor installations, and launched FLLOCA-supported projects across various sectors. Environmental conservation efforts focused on establishing tree nurseries, promoting tree planting, and expanding rural electrification through strategic partnerships.

Constraints and challenges in Budget Implementation.

The sector faces several interconnected challenges that hinder effective service delivery. These include damage to water and sewer pipelines by road contractors, persistent vandalism of

infrastructure, and poor coordination between revenue officers and SCWOS. Inadequate water storage and distribution systems further limit reliable access to water.

In the energy sector, delays in disbursement of electrification funds to REREC and the lack of a clear regulatory framework continue to slow progress. Additionally, limited funding for irrigation projects and repairs, coupled with excessive sand harvesting, has contributed to environmental degradation and reduced agricultural productivity.

Lesson Learnt and Recommendations.

Addressing these challenges requires coordinated and practical interventions. Continuous sensitization of road contractors on their responsibility to protect water infrastructure is essential to minimize damage. Strengthening the policy framework through the development of energy regulations and finance acts, alongside the installation of integrated lighting systems with tracking capabilities, will help curb vandalism and support proper licensing of energy services.

Additionally, increased funding for irrigation projects is necessary to enhance agricultural productivity. Community sensitization on land conservation measures and the promotion of organized working groups will support sustainable resource use. Finally, comprehensive mapping of the county's natural resources will improve planning, management, and long-term sustainability.

D. Strategic Objectives

CP 31: General Administration and support services

To facilitate the coordination of programs within the department

CP 34: Water Supply Services

To increase access to clean and safe water

CP 35: Environmental Management and Protection

To improve environmental and conservation and management

CP 36: Environmental Conservation and Management

To improve environmental and conservation and management

CP 37: Natural Resource Management

To promote livelihood diversification

CP 38: Climate Change Mitigation and Adaptation

To strengthen climate change resilient

CP 39: Irrigation and Land Reclamation Services

To Increase access to Irrigation water and Land reclamation services

CP 40: Energy Development

To increase share of renewable energy in total consumption

To undertake these programmes, the FY 2026/27-2028/29 MTEF estimates for the sector are projected to be **Ksh.2, 194,841,114**. The FY 2026/27, **Ksh.663, 093,992** has been set aside for the sector. For FY 2027/28 and FY 2028/29 the projections are **Ksh.729, 403,391** and **Ksh.802, 343,730** respectively.

E. Summary of the Programme Key Outputs, Performance Indicators and Targets

Programme	Sub-programme	objective	Outcome	Key Output	Performance Indicators	Baseline FY 2025/2026	Planned Target FY 2026/2027	FY 2027/2028	FY 2028/2029
General Administration and Support Services	Administrative support services	Efficient and Effective Co-ordination of Administrative support services	To improve on quality service delivery	Improved and high-quality Services	% Achievement of the set Programmes Target	100%	100%	100%	100%
Water Supply Services	Urban Water infrastructure development	To increase access to clean and safe water	Increased access to clean and safe water	Water storage facilities constructed	Total volume of water storage developed (M ³)	225	150	200	250
				Water pipeline constructed	KMs of pipeline developed	30	15	30	40
				Meters acquired and metered	No. of meters acquired and metered	420	300	350	400
	Rural Water infrastructure development	To increase access to clean and safe water	Increased access to clean and safe water	Water storage facilities constructed	Total volume of storage developed (M ³)	415	180	200	250

Programme	Sub-programme	Objective	Outcome	Key Output	Performance Indicators	Baseline FY 2025 /2026	Planned Target FY 2026 /2027	FY 2027 /2028	FY 2028 /2029
				Water pipeline constructed	KMs of pipeline developed	50	20	30	40
				Water points developed	Number of boreholes drilled	2	2	5	8
					No of water systems solarized	4	2	4	6
	Maintenance of water systems			Water systems repaired and maintained	Number of systems repaired and maintained	2	0	4	6
Environmental conservation and management	Afforestation & Agro-forestry	To improve environmental and conservation and management	Improved environmental and conservation and management	Tree nurseries established	Number of tree nurseries established	1	4	6	8
				Trees planted in line with presidential decree	Number of trees planted	5,000	0	4,000	5000
				Mini water towers established in Samia, Amukura and T. North hills	Number of Mini water towers established	3	4	5	6
				Farms and urban forest developed-Amoni in Malaba Central	No. of farms and urban forests developed.	1	0	2	3
				Bamboo trees developed and promoted	Number of Bamboo trees developed and promoted	1,000	0	1,000	2000
				Apiculture established	Number of Apiculture established	1	0	2	3
Natural Resource Management	Promotion of Livelihood Diversification	To promote livelihood diversification	Livelihood diversification promoted	Alternative livelihood promoted	Number of livelihood promoted	1	2	3	3
Climate Change Mitigation and adaptation	Climate change mitigation and resilience	To strengthen climate change resilient	To strengthen climate change resilient	Climate change information services hub established phase 2	Climate change information services hub established	1	1	1	1

12. Department of Health Services and Sanitation

A. Vision.

A healthy, productive, and internationally competitive county.

B. Mission.

To build a progressive, sustainable, technologically driven, evidence-based, and client centred health system with the highest attainable standards of health at all levels of care in Busia County.

C. Performance Overview and Rationale Funding

Brief Description of Mandate

The sector implements its mandate under three programmes namely;

Curative and Rehabilitative Health Services mandated with Provision of Primary Health care, provision of clinical services, management of health facilities and pharmacies, diagnostic services including radiology and laboratory services, provision of nursing services, provision of rehabilitative services among others;

Preventive and Promotive Health Services: That has the mandate of disseminating health education concerning prevailing health problems and the methods of preventing and controlling them; promotion of food supply and proper nutrition; an adequate supply of safe water and basic sanitation; maternal and child health care, including family planning; Immunization against the major infectious diseases; prevention and control of locally endemic diseases; appropriate treatment of common diseases and injuries; and provision of essential drugs

Administrative and Support services mandated with overall leadership, governance, supervision of the department; Strengthening HRH management and development, Developing and implement County level policies, legal frameworks/regulations, Manuals and SOPs to support healthcare delivery that ensures access to health services by all residents; improving quality of services and ensuring affordability of health services among others.

Major Departmental Achievements (FY 2022-2023 to Date)

Successful Completion of Numerous Facilities: The department made a strong record of finishing projects. This includes finalizing the construction of new dispensaries like Rwatama, Benga, Aturet, Hakati, and Adung'osi Market Dispensary, as well as completing critical wards

and maternity wings at facilities such as Matayos Health Centre Ward, Nambuku Maternity, Sikarira Maternity, Kamolo Maternity, Igara Maternity and Busembe Maternity.

Expansion of Specialized Healthcare Services: Key health facilities have been upgraded to offer more specialized care. Notable achievements include the multi-phase development of the Mother and Child Hospital at Alupe, the completion of a new theatre at Nambale Sub-County Hospital, and the refurbishment of the X-ray department and sewer system at Sio Port Hospital.

Strengthened Diagnostic Capacity: The department has significantly boosted its diagnostic capabilities across the county. This was achieved by completing and equipping laboratories at numerous sites, including Namuduru, Kamolo, Malanga, Osieko, Ochude and Igula (Phase I), and by procuring and installing advanced lab equipment and ultrasound machines at BCRH, Malaba Health Centre, and Bumala B Hospital.

Enhanced Patient and Staff Safety & Sanitation: A major focus has been on improving the safety and hygiene of healthcare environments. This is evident in the numerous completed projects for perimeter fencing and gate installation at facilities like Sio Port, Apegei, Bukalama, Nangina, Malaba, Ikonzo, Buyingi, Mukonjo, Rwatama, Mabale, Buyofu and Bukati. Furthermore, gender-sensitive and disability-inclusive sanitation blocks were constructed at BCRH, Alupe, Khunyangu, and several dispensaries.

Modernized Medical Equipment and Emergency Response: Patient care has been directly improved through the procurement and installation of modern medical equipment. This includes the supply of general medical items, specialized equipment for new eye care clinics, physiotherapy tools for Level IV hospitals, and the installation of standby generators at BCRH, Amukura, Khunyangu and Nambale SCH to ensure uninterrupted services.

Nutrition Unit Achievements

The Department of Health and Sanitation, in collaboration with partners, implemented several key nutrition interventions to improve maternal and child health.

Strategic Planning and Assessment: The department successfully conducted an end-term review of the first County Nutrition Action Plan (CNAP), which led to the development and launch of the second-generation plan (CNAP II) covering 2023-2028. A countywide MIYCN-KABP survey was also conducted to gather current data on 17 indicators not available in the 2022 KDHS report.

Promotion of Breastfeeding: To improve MIYCN practices, the department established breastfeeding support spaces in five sub-county hospitals, bringing the total to seven such spaces in health facilities. It also created an enabling environment for breastfeeding in the informal sector by setting up a breastfeeding space at the Posta Market in the county headquarters.

Community Resilience and Service Improvement: With financial support from the French embassy (via UNICEF) and in partnership with the Kenya Red Cross, the BFCI (Baby-Friendly Community Initiative) strategy was piloted in two community units linked to Khajula dispensary in Bunyala Sub-County. This initiative aimed to build nutrition resilience for flood-affected communities. As a result, the dispensary has seen a gradual increase in ANC attendance (1st, 4th, and 8th visits) and a rise in IFA supplementation for pregnant women from 0% to 100%. A temporary breastfeeding unit, also serving as a play area and client waiting area, was established, integrating nurturing care into routine services and improving community-facility linkages.

Non-Communicable Diseases Unit

Over the past three years the Department has made significant progress in the fight against Non-Communicable Diseases (NCDs) much of which has been made possible through the invaluable support of our partners

Capacity Building for Healthcare Workers and Community Health Promoters on NCDs:

The department successfully trained 215 healthcare workers on the care and management of NCDs including Sickle Cell Disease, Epilepsy, Diabetes (including Type 1 Diabetes) and Hypertension. In addition, 272 Community Health Promoters (CHPs) were trained on Sickle Cell Disease and Epilepsy strengthening community referral and linkage.

Strengthening Diagnostic and Treatment Capacity for Sickle Cell Disease and Epilepsy:

The Sickle Cell Federation of Kenya supported the program by procuring and distributing point-of-care Gazelle machines for sickle cell diagnosis and trait identification to Teso North, Teso Central, and Port Victoria Sub-County Hospitals. The county government also procured a HB electrophoresis machine for Busia County Referral Hospital to support confirmatory diagnosis of sickle cell disease. Additionally, AMPATH-MTRH and Indiana University through the Beacon Study issued essential seed epilepsy drugs to revolving fund pharmacies across the county with the aim of improving Epilepsy management in the county.

Partnership Support for Type 1 Diabetes Care: The Diabetes Management and Information Centre (DMI) has also been a critical partner in supporting Busia County Referral Hospital to offer free medical and diagnostic services to 30 patients living with Type 1 Diabetes

Constraints and Challenges in the Budget implementation and how they will be addressed

- **Inadequate Budgetary Allocation:** All the WHO pillars of health solely depend on adequate financial allocation for provision of quality health care. The funds collected by the hospitals should be substantially supported by the exchequer releases to the County.
- **Inadequate staff:** There is an acute shortage of staff across all the health facilities. For nearly five years the health department has not employed health workers to fill the gap of those who have left one reason or the other. This has a negative impact on service provision.
- **Health Workers' Strikes:** The Department experienced strikes among the nurses and nutritionists over several grievances which they wanted addressed. The grievances included statutory deductions and financial which have been effected against their pay slips but not remitted, nurses' arrears, nurses' promotions and hiring of additional staff to alleviate the shortages.
- **Inadequate medical commodities:** The inadequacy of health commodities cuts across all county health facilities. Due to the inadequate budgetary provision, the health facilities are not able to avail health commodities.

Lesson Learnt and Recommendations.

- Social Health Authority (SHA) should be prevailed upon to promptly reimburse hospital claims so as not to suffocate them.
- A County Health stakeholders' conference should be convened to bring together the main Development Partners to discuss how to harness and utilize the limited resources.
- We recommend the filling of gaps of the staff who have retired, died or resigned.
- A budget for recruitment of health care workers should also be provided for the recruitment of additional health workers.

- Staff grievances should be addressed in a timely manner so as not to interrupt the provision of health services.
- More funds should be allocated for the procurement of the medical supplies needed. A seed allocation of Kshs.. 500 million will ensure availability of medical commodities around the whole year.

D. D: Strategic Objectives

CP 42: Curative and Rehabilitative services

Objective: To Increase Access to Quality Curative and Rehabilitative Services

Linkage to Busia County Strategic Plan (CIDP):

This objective is a core component of the CIDP's health sector chapter. It directly supports the county's goal of improving health standards by:

- I. **Reducing morbidity and mortality:** By ensuring that health facilities (hospitals, health centres) are well-equipped and staffed to treat illnesses and injuries.
- II. **Strengthening health infrastructure:** This involves the construction, upgrading, and equipping of health facilities to handle curative and rehabilitative cases.
- III. **Enhancing access to specialized care:** This could include establishing or improving renal dialysis units, intensive care units (ICU), or rehabilitation centres for physical therapy within the county.

Linkage to Kenya Vision 2030: This objective aligns with the **Social Pillar** of Vision 2030, specifically under the flagship project of "**Health**".

Goal: To provide an efficient and high-quality health system with the best standards.

Contribution: By increasing access to curative and rehabilitative services, Busia County contributes to the national goal of reducing the burden of disease and ensuring that Kenyans are healthy enough to be productive. It addresses the Vision's aim for "universal access to quality healthcare" by focusing on the treatment and recovery aspects of the health system.

CP 43: Preventive and Promotive health services

Objective: To increase access to preventive and Promotive health services

Linkage to Busia County Strategic Plan (CIDP):

This objective is central to the county's strategy for a healthy and productive population. It directly supports the CIDP's focus on community health and disease prevention by:

- I. **Scaling up community health services:** Supporting the network of Community Health Promoters (CHPs) and promoting household-level health practices (e.g., sanitation, nutrition).
- II. **Disease prevention and control:** Implementing mass vaccination campaigns (immunization), malaria prevention (distribution of insecticide-treated nets) and promoting maternal and child health.
- III. **Health promotion and education:** Conducting public awareness campaigns on hygiene, nutrition, family planning, and the dangers of communicable and non-communicable diseases.

Linkage to Kenya Vision 2030: This objective is a direct contributor to the **Social Pillar** of Vision 2030.

Goal: To shift the focus from curative to preventive care, which is a stated aim of the health sector under Vision 2030.

Contribution: By focusing on prevention and promotion, this objective helps reduce the long-term burden on the curative health system and improves overall population health. This aligns with the Vision's aim for a healthy human resource base, which is fundamental for driving economic growth under the **Economic Pillar**.

CP 39: General Administration and Support services

To enhance administration and support services for health sector

Linkage to Busia County Strategic Plan (CIDP):

This **objective** is about strengthening the health system's governance and management capacity to deliver on the CIDP's promises. It supports the CIDP's cross-cutting themes of public service delivery and governance by:

- I. **Improving health workforce management:** Ensuring adequate staffing, motivation, and deployment of health workers.

II. **Enhancing health financing and supply chain:** Ensuring that funds are used efficiently and that medicines and medical supplies (commodities security) are always available at health facilities.

III. **Strengthening health information systems:** Improving data collection and use for better decision-making and planning within the health sector.

Linkage to Kenya Vision 2030: This objective aligns with the **Political Pillar** (focusing on a people-centred, results-oriented public service) and is an enabler for the **Social Pillar**.

Goal: To create a transformative and accountable public service. Specifically, the Vision 2030 health sector goal requires strong institutional arrangements for service delivery.

Contribution: By enhancing administration and support services, the county builds the institutional backbone required to implement all health programmes effectively. This ensures that the ambitious goals of Vision 2030 are supported by competent, well-managed, and accountable county health systems.

CP 40: Curative and Rehabilitative Services

To increase access to quality curative and rehabilitative services

CP 41: Preventive and Promotive Health Services

To increase access to quality preventive and promotive health services

To undertake these programmes, the FY 2026/27-2028/29 MTEF estimates for the sector are projected to be **Ksh.9, 408,943,240**. For the FY 2026/27, **Ksh.2, 847,192,884** has been set aside for the sector. For FY 2027/28 and FY 2028/29 the projections are **Ksh.3, 124,643,026** and **Ksh.3, 437,107,329** respectively.

E. Summary of the Programme Key Outputs, Performance Indicators and Targets

Programme	Sub-programme	Objective	Outcome	Key Output	Performance Indicators	Baseline FY 2025/2026	Planned Target FY 2026/2027	FY 2027/2028	FY 2028/2029
General Administration and Support Services	Administrative support services	Efficient and Effective Co-ordination of Administrative support services	To improve on quality service delivery	Improved and high-quality Services	% Achievement of the set Programmes Target	100%	100%	100%	100%
Curative and Rehabilitative services	Ambulance and referral services	To increase access to quality curative and	Increased access to quality curative and	Enhanced capacity of Emergency	No. of functional call centres established	1	1	1	1

Programme	Sub-programme	objective	Outcome	Key Output	Performance Indicators	Baseline FY 2025/2026	Planned Target FY 2026/2027	FY 2027/2028	FY 2028/2029
		rehabilitative services	rehabilitation services	and Referral Services					
	Diagnostic services in Higher level facilities			Strengthened diagnostic services	No of facilities with assorted laboratory equipment procured	10	15	15	20
	Infrastructure development at Tier 3 facilities			Improved infrastructure for service delivery	No of facilities infrastructure improved	7	9	10	12
					Number of facilities with Laundry machine with squeezer and drier	1	2	3	4
					No. of health facilities with gender-sensitive and disability inclusive sanitation blocks	2	4	5	6
Preventive and Promotive health services	Infrastructure development at Tier 2 facilities	To increase access to quality preventive and promotive health services	Increased access to quality preventive and promotive health services	Improved infrastructure for service delivery	Number of Lower-level health facilities constructed to completion	2	4	5	5
	Infrastructure development at Tier 2 facilities	To increase access to quality preventive and promotive health services	Increased access to quality preventive and promotive health services	Improved infrastructure for service delivery	Number of stalled Lower-level health facilities constructed to completion	15	30	25	30
	Infrastructure development at Tier 2 facilities	To increase access to quality preventive and promotive health services	Increased access to quality preventive and promotive health services	Improved infrastructure for service delivery	Number of Lower-level health facilities refurbished	10	4	5	6
	Lower-Level Hospital Equipment	To increase access to quality preventive and promotive health services	Increased access to quality preventive and promotive health services	Health facility Equipment Procured	No. of Health facility Equipment Procured	5	30	10	12

13. County Public Service Board

A. Vision

A beacon of professionalism, integrity, equity and dedication to quality public service.

B. Mission.

To provide efficient and effective professional services for the realization of Busia County and National

Development Goals through competitive recruitment, planning, developing and managing human capital.

C. Performance Overview and Rationale Funding

Brief Description of Mandate.

The sector envisions being a beacon of professionalism, integrity, equity and dedication to quality public service. To achieve its vision the sector provided efficient and effective professional services for the realization of Busia County and national development goals through competitive recruitment, planning, developing and managing human capital.

The County Public Service Board is mandated to establish and abolish public offices, appoint and confirm persons to offices, promote public service values and principles, facilitate the development of human resource, exercise disciplinary control, and prepare regular reports.

In ensuring institutional professionalism and good governance, The Public Service Board promoted transparency, accountability and adherence to national values and principles through enforcement of Leadership and Integrity Act, 2012, Public Officer Ethics Act, Performance management systems and Training curriculum.

To Promote service delivery in the county public service, The CPSB ensured human resource requirements were addressed effectively through Developing an integrated electronic human resource database to facilitate HR Planning, Reviewing existing and develop new HRM/D policies and guidelines, Developing Human Resource in the County Public Service, Developing human resource plans for the county, Exploiting research Technology and innovation and Enhancing capacity of Board members and the Secretariat staff.

Programs Undertaken

The department has undertaken a range of strategic human resource initiatives aimed at strengthening workforce capacity, enhancing performance, and promoting effective governance across all county departments. A key achievement has been the recruitment of staff across critical positions, including audit staff, health personnel, and directors along with their deputies. This recruitment exercise has been instrumental in ensuring that all departments are adequately staffed with qualified professionals capable of delivering quality services to the public.

In addition, the department successfully prepared the Annual Performance Report for the 2023 financial year, providing a comprehensive account of departmental achievements, challenges, and progress toward strategic objectives. This report serves as a vital tool for accountability, planning, and continuous improvement, informing decision-making and guiding future interventions.

Another major milestone was the recruitment and subsequent deployment of County Chief Officers to various departments. This process ensured that leadership positions were filled by competent individuals, thereby strengthening departmental oversight, coordination, and execution of county priorities.

The department also undertook the validation of human resources policies, ensuring that guidelines governing recruitment, staff management, and organizational conduct are current, relevant, and aligned with best practices. In parallel, the development and implementation of a Performance Management Policy has provided a structured framework for monitoring, evaluating, and enhancing staff performance, thereby fostering accountability, productivity, and professional growth.

Through these coordinated efforts, the department has reinforced its commitment to building a capable, motivated, and well-managed workforce, which remains central to the county's overarching goal of delivering efficient, transparent, and high-quality public services.

Constraints and challenges in Budget Implementation.

- Inadequate working space for staff.
- Insufficient Budgetary Allocation, hence limiting the scope for service delivery as most programs are underfunded.

- Insufficient workforce hence limiting the performance output per staff as most staff are overworked.

Lessons Learnt

- Need for early planning.
- Need for adequate budgetary allocation.

Lesson Learnt and Recommendations.

- Timely disbursement of funds to departments to ensure programs run as per the timelines.
- Prudent use of allocated resources.
- Early Planning should be adhered to so as to ensure the intended purposes for funding is achieved.

D. Strategic Objectives

CP 42: General Administration and Support Services

To increase efficiency and effective logistical management

To undertake these programmes, the FY 2026/27-2028/29 MTEF estimates for the sector are projected to be **Ksh.323,545,463** For the FY 2026/27, **Ksh.97,747,874** has been set aside for the sector. For FY 2027/28 and FY 2028/29 the projections are **Ksh.107,522,661** and **Ksh.118,274,928** respectively.

E. Summary of the Programme Key Outputs, Performance Indicators and Targets

14. Governorship

A. Vision

To be an institution of honour and excellence for a democratic and prosperous County.

B. Mission

To provide timely and quality services to the residents of Busia County through efficient utilization of resources.

The Governorship comprises of the office of the Governor, Deputy Governor and the County Secretary.

C. Performance Overview and Rationale Funding

Brief Description of Mandate

The Office of the Governor is an administrative office **Mandated** to spearhead policy formulation; promotion of the rule of law to enhance order; resource mobilization; coordination and supervision of effective and efficient public service delivery; swift response to critical community needs during disaster occurrences; publicity and branding. The office of the Governor has two Directorates, namely, Disaster Management and Service Delivery.

Key Achievements

The Directorate of Disaster Management installed 10 high-mast lightning arrestors in disaster-prone areas, strengthened fire compliance inspections, rehabilitated the Southern Dyke in collaboration with the National Government, completed Phase I of the Disaster Management Centre at Funyula and coordinated relief support to disaster-affected communities. The Disaster Risk Management Policy was finalized and approved by Cabinet.

The Directorate of Service Delivery developed a county-wide project tracking dashboard in collaboration with KDSP, enhancing transparency, citizen feedback, and monitoring of project implementation.

Constraints and challenges in Budget Implementation.

- Delay in validation and approval of disaster management policy
- Inadequate resources allocated to unanticipated catastrophes
- Delayed and long procurement process
- Budget controls affecting implementation of programs and projects at lump sum

Lesson Learnt and Recommendations.

- Need to approve disaster management policy
- The County should support the department with resources to help plan and mitigate unforeseen calamities

D. Strategic Objectives

CP 43: General Administration and Support Services

To facilitate the coordination of programs within the department

CP 45: Disaster Risk Management

To improve on disaster risk reduction and public safety

To undertake these programmes, the FY 2026/27-2028/29 MTEF estimates for the sector are projected to be **Ksh.1, 252,015,831**. For the FY 2026/27, **Ksh.378, 750,996** has been set aside for the sector. For FY 2027/28 and FY 2028/29 the projections are **Ksh.416, 626,096** and **Kshs. 456,638,739** respectively.

E. Summary of the Programme Key Outputs, Performance Indicators and Targets

Programme	Sub-programme	Objective	Outcome	Key Output	Performance Indicators	Baseline FY 2025 /2026	Planned Target FY 2026/2027	FY 2027 /2028	FY 2028 /2029
General Administration and support services	Administrative support service	Efficient and Effective Co-ordination of Administrative support services	To improve on quality service delivery	Improved and high-quality Services	% Achievement of the set Programmes Target	100%	100%	100%	100%
Disaster Risk Management	Disaster Preparedness	To strengthen disaster preparedness, mitigation and response	Improved awareness, resilience and adaptive capacity to disasters	Reduced number of disaster incidences	No. of Lightning arrestors installed	2	2	2	2
				Timely response to disaster occurrences	No. of disaster management centre constructed	1	1	1	1
					No. of disaster occurrences mitigated	10	15	20	25

15. County Law Office

A. Vision

To be the best public legal provider and promote democratic principles and accountability in a devolved government.

B. Mission

To facilitate and promote good governance by recognizing diversity and protection and promotion of interest and rights of people through provision of public legal services in the County Government.

Services. It will focus on enhancing disaster preparedness, mitigation and response to reduce vulnerability and improve resilience to shocks.

C. Performance Overview and Rationale Funding

Brief description of mandate.

The County Law Office provides legal advisory services, legislative drafting, litigation management, legal audits, and coordination of gazettement and publication of laws to ensure legal compliance across county departments.

Key Achievement Highlights.

During FY 2024/2025, the Office developed and reviewed legislation and policies, strengthened alignment with national laws, collaborated with the County Assembly on enactment of laws and partnered with justice-sector stakeholders and international partners to build institutional capacity.

Constraints and challenges in Budget Implementation.

The effective functioning of any department depends on adequate resources and proper planning. However, challenges such as insufficient office accommodation, supplies, equipment, and modern technology have hindered smooth operations, leading to delays and reduced productivity. Additionally, budget cuts have negatively affected the implementation of programmes, forcing some activities to be scaled down or postponed.

Lesson Learnt and Recommendations.

To address these issues, the department should be allocated sufficient funds and resources to support its operations. Timely approval of planning documents is also essential to allow adequate time for effective implementation of programmes.

In conclusion, improving resource allocation and ensuring timely planning will enhance the department's efficiency and ability to achieve its objectives.

D. Strategic Objectives

CP 47: General Administration and Support Services

To increase efficient and effectiveness of legal Services

To undertake these programmes, the FY 2026/27-2028/29 MTEF estimates for the sector are projected to be **Ksh.216,336,606** For the FY 2026/27, **Ksh.65,358,491** has been set aside for the sector. For FY 2027/28 and FY 2028/29 the projections are **Ksh.71, 894,340** and **Ksh.79, 083,774** respectively.

16. Department of Strategic Partnerships and Digital Economy

A. Vision

To forge sustainable digital transformation and foster strategic partnerships for a prosperous and inclusive digital economy.

B. Mission

To leverage technological innovation, foster strategic partnerships, integrate Sustainable Development Goals (SDGs) and ensure digital infrastructure resilience for a prosperous, inclusive and sustainable digital economy.

C. Performance Overview and Rationale for Funding

Brief description of mandate.

The mandate of the Department of Strategic Partnerships and Digital Economy is derived from H.E. the Governor's Executive Order No. 1/2023. The Department is responsible for the formulation of policies and legal frameworks that facilitate the effective and innovative use of Information, Communication and Technology (ICT) resources.

Additionally, the Department identifies, develops, and promotes multi-sectoral strategic partnerships, while ensuring integration and mainstreaming of Sustainable Development Goals (SDGs) within County programmes and projects.

Key Achievements Highlights.

Strategic Partnerships and Resource Mobilization

The county has achieved significant progress in mobilizing resources, strengthening partnerships, and advancing strategic development initiatives aimed at transforming Busia into a vibrant and inclusive urban and economic hub. A landmark achievement was the securing of a USD 4.3 million grant from the Government of Denmark through UN-Habitat, which will support the development of Busia border town into a modern metropolis, enhancing infrastructure, urban planning, and service delivery.

In line with efforts to improve essential services, the county submitted a USD 10 million (Kshs 1.9 billion) proposal to the United Nations Capital Development Fund for the enhancement of water and sewerage infrastructure in Busia Municipality. This initiative aims to address critical urban service gaps, promote public health, and create a more sustainable urban environment.

The county also negotiated the acquisition of 50 computers from Stannic Bank to support digital literacy training at the Busia Vocational Training Centre, equipping youth and community members with essential skills for the modern economy. Complementing this, Kshs

59 million in funding was secured from USAID to enhance agricultural productivity and improve household incomes for small-scale farmers, thereby strengthening food security and economic resilience.

Strategic partnerships have been reinforced through the development and signing of Memoranda of Understanding (MoUs) with key institutions, including the Kenya Red Cross Society, Alupe University, UN-Habitat, Stanbic Bank, and SHOFCO. These collaborations have facilitated resource mobilization, technical support, and capacity-building initiatives across multiple sectors.

In addition, the county has invested in capacity building for youth and entrepreneurs, training over 100 participants in digital skills through the KCB 2Jiajiri Programme, empowering them to leverage technology for business development and innovation. The county has also provided strategic support in policy development, contributing to the formulation of the County Gender Policy and the County Disaster Risk Management Policy (2024), which provide frameworks for inclusive development, social protection, and resilience-building.

Through these integrated efforts in resource mobilization, strategic partnerships, youth empowerment, and policy development, the county continues to drive sustainable socio-economic transformation, positioning Busia as a model for urban growth, innovation, and inclusive development.

ICT Infrastructure and Digital Economy

The county has made remarkable strides in leveraging information and communication technology (ICT) to enhance service delivery, streamline operations, and promote economic growth across key sectors. One of the department's notable achievements is the 70% automation of own-source revenue collection across county departments, which has improved efficiency, transparency, and accountability in financial management.

In a bid to strengthen data security and reliability, critical county services were successfully migrated to the National Cloud Infrastructure at Konza Technopolis. Complementing this, the refurbishment of the Bukhalalire ICT Hub has enhanced access to digital services while creating employment opportunities for residents. Furthermore, the department initiated the procurement of an ICT Digital Hub at the Matayos Vocational Training Centre, expanding digital infrastructure and learning opportunities for the community.

To identify and address technological gaps, the department conducted a comprehensive ICT gap analysis across health facilities and county departments, laying the groundwork for targeted interventions. Staff capacity-building sessions were carried out to enhance technical and operational efficiency, ensuring that personnel are well-equipped to maximize the benefits of digital systems. These initiatives were extended to the agriculture and livestock sectors, where training programmes on multiple digital platforms enhanced system adoption and utilization, thereby improving productivity and service delivery.

Significant progress was made in digital livestock management through the operationalization of the Mifugo 360 Application. Veterinary and animal health personnel were trained in its use, enabling improved livestock identification, tracking, and data management. Similarly, the implementation of the Foot and Mouth Disease (FMD) vaccination programme was strengthened through training on the Helium Mezzanine ware system, facilitating efficient subsidy management and voucher redemption.

Integration of agriculture and finance was also enhanced through training of SACCOs and Farmer Producer Organizations (FPOs) on the AMTECH system, improving access to digital financial services and enabling data-driven decision-making. Additionally, the Know Your Farmer (KYF) platform was utilized to digitize farmer data, supporting continuous registration and more effective agricultural planning and service delivery.

The department also achieved full compliance with data protection regulations, registering itself as both a Data Controller and Data Processor with the Office of the Data Protection Commissioner. Capacity-building efforts extended to agripreneurs and stakeholders through training on the Agripreneurs Business Accelerator Platform (AGP-BA), including Programme Management Systems (PMS), thereby promoting entrepreneurship, innovation, and value chain development.

Through these integrated digital initiatives, the county has strengthened operational efficiency, improved service delivery, enhanced data security, and empowered stakeholders across agriculture, livestock, and ICT sectors, positioning itself as a leader in digital transformation and innovation.

Constraints and challenges in Budget Implementation.

i. Inadequate Budget Allocation

- Limited funding has constrained implementation of ICT infrastructure projects, automation initiatives, and capacity-building programmes.
- There is need for increased budget allocation to support operational requirements including office space, mobility, tools, and development of critical policy frameworks such as the County Resource Mobilization Strategy.

ii. Infrastructure and Office Space Limitations

- Inadequate office space and working tools negatively affect staff productivity.
- Outdated ICT infrastructure and weak network systems hinder efficient service delivery.

iii. Human Resource Gaps

- The Department operates with limited staff, affecting its capacity to effectively implement strategic programmes.
- Planned interventions include targeted staff capacity building based on training needs assessments.

Emerging Issues

- Increasing demand for digital services and automation across County departments
- Need for enhanced cybersecurity and data protection frameworks
- Growing importance of digital economy initiatives and innovation hubs
- Rising demand for structured resource mobilization and donor coordination mechanisms

Medium-Term Priorities (2026/27–2027/28)

In the FY 2026/2027 and the medium term, the Department will focus on strengthening strategic partnerships and resource mobilization to leverage external financing and technical support for County programmes.

Priority will be placed on expanding ICT infrastructure, automating County systems, and promoting digital government to enhance efficiency, transparency, and service delivery.

The Department will further promote digital inclusion, innovation, and growth of the digital economy by supporting the establishment and operationalization of ICT hubs, development of e-commerce platforms, strengthening data management systems, and improving citizen access to digital services.

D. Strategic Objectives

CP 48: General Administration and Support Services

To enhance coordination and efficiency in ICT services and strategic partnerships

CP 49: Information Communication Technology

To increase access to ICT services and promote digital transformation

To undertake these programmes, the FY 2026/27-2028/29 MTEF estimates for the sector are projected to be **Ksh.418,745,995** For the FY 2026/27, **Ksh.126,509,364** has been set aside for the sector. For FY 2027/28 and FY 2028/29 the projections are **Ksh.139, 160,300** and **Ksh.153, 076,330** respectively.

E. Summary of the Programme Key Outputs, Performance Indicators and Targets

Programme	Sub-programme	objective	Outcome	Key Output	Performance Indicators	Baseline FY 2025 /2026	Planned Target FY 2026 /2027	FY 2027 /2028	FY 2028 /2029
General Administration and Support Services	Administrative support services	Efficient and Effective Co-ordination of Administrative support services	To improve on quality service delivery	Improved and high-quality Services	% Achievement of the set Programmes Target	100%	100%	100%	100%
Information Communication Technology	ICT	To establish and equip public digital access services across the County	Increased access to internet services	Enhanced internet infrastructure and connectivity	No. of public digital access points established	1	2	1	1
	Revenue Automation	To improve on own source revenue	Improved Revenue collection	Increased own source revenue	No. of revenue automation systems established	1	1	1	1

17. County Assembly

A. Vision

To be a modern County Assembly that fulfils its constitutional mandate and effectively serves the people of Busia County

B. Mission

To build an effective County Assembly that is responsive to the needs of the people and that is driven by the ideals of realizing better quality of life for the people of the Busia County.

C. Performance Overview and Rationale for Funding

Brief description of mandate.

The County Assembly core mandate is to develop legislation, perform oversight and representation.

Expenditure trends for FY 2022-2023-2024-2025

The county assembly overall budgetary allocation and actual expenditure performance for FY 2022-2023-FY 2024-2025 is as represented in the table below:

Table 1: expenditure trends FY 2022/2023-2024/2025

Financial Year	Approved Revised Budget	Actual Expenditure	% Absorption
FY 2022-2023	911,195,833	880,200,282	96.6
FY 2023-2024	981,057,352	951,630,591.39	97
FY 2024-2025	846,454,206	852,325,847	100.69
Total	2,738,707,391	2,684,156,720	98.01

The key achievements in the periods FY 2022-2023- 2024-2025 are:

- Installation of e-parliament system.
- Installation multi media conference system.
- Construction of speaker's official residence.
- Purchase of original mace, and
- Acquisition of land for construction of ward offices.

During the implementation of the budget the Assembly encountered the following challenges:

- Reduction of the assembly recurrent budget ceilings through approved county allocation of revenue Act
- Reduction of development budget affecting the implementation of the County Assembly CIDP
- Delayed disbursements of funds
- Delays in approval of requisitions in the Office of the Controller of Budget
- Limited resources to meet the County Assembly expenditure needs.

Ways to address to address the challenges

Continued engagement with the county treasury to increase the allocation for County Assembly development budget.

Services/output to be provided in the FY 2026/2027 and the medium term

In FY 2026/2027 and the medium term, The County assembly intends to continue executing its mandates of legislation, oversight and representation. It further intends to continue the development of infrastructural project with focus given on the construction of ward offices across all the 35 wards. This programme are factored in the approved CIDP III, ADP 2026/2027 and CFSP 2026-2027 and the medium term.

D. Strategic Objectives

CP 45: General Administration and Support Services

To enhance Effective and efficient service delivery

CP 53: Legislation, Representation and Oversight

To enhance access to service by the public through the ward offices

To undertake these programmes, the FY 2026/27-2028/29 MTEF estimates for the sector are projected to be **Ksh.2,977,669,531** For the FY 2026/27, **Ksh.899,598,046** has been set aside for the sector. For FY 2027/28 and FY 2028/29 the projections are **Ksh.989, 557,850** and **Ksh.1, 088,513,635** respectively.

Annex 3: Public Participation Report

Overview of the Public Participation

Public participation is a fundamental principle of governance as enshrined in the Constitution of Kenya 2010, which emphasizes the involvement of citizens in decision-making processes. It is further anchored in the Public Finance Management framework, which requires county governments to engage the public in the budgeting process.

In compliance with these provisions, the County Government of Busia conducted public participation forums on the FY 2026/2027 Draft Budget Estimates on 22nd April 2026 across all sub-counties. Key stakeholders invited include members of the public, civil society organizations, professional bodies, faith-based organizations, the private sector, and other stakeholders like Commission on Revenue Allocation, Office of the County Commissioner, Institute of Certified Public Accountants of Kenya (ICPAK), Chamber of Commerce, Busia Civil Societies Organization, Community of Practice Busia Chapter and Community Empowerment Development Centre.

The exercise provided a platform for residents and stakeholders to review the proposed budget estimates, give their views, and propose priority areas for consideration in the final budget. This process ensures that resource allocation reflects the needs and aspirations of the people while promoting transparency, accountability, and inclusivity in public finance management.

Objectives of the Public Participation Exercise

The main objectives of the public participation exercise were to:

- Present the FY 2026/2027 Budget Estimates to the public
- Obtain views and inputs from citizens and stakeholders on priority areas
- Enhance transparency and accountability in the budgeting process
- Ensure inclusivity by engaging all segments of the population
- Align county resource allocation with community needs and development priorities

Public participation on the Draft Budget Estimates FY 2026/2027 was conducted on **Wednesday, 22nd April 2026** across all the **eight (8) sub-counties** of Busia County. Each sub-

county hosted the exercise at a designated public venue as advertised in the local daily newspapers.

The public participation exercise adopted a consultative and inclusive approach. The process involved:

- Organization of physical public barazas across all wards and sub-counties
- Engagement of key stakeholders including community groups, youth, women, and persons with disabilities
- Presentation of highlights of the FY 2026/2027 Budget Estimates by county officials
- Moderated discussions to allow participants to give views and recommendations
- Documentation of both oral and written submissions from participants

This approach ensured broad-based participation and allowed for structured collection of public views.

The fora recorded participation from a diverse group of stakeholders, including members of the public from various wards, Youth representatives, Women groups, Persons with disabilities (PWDs), Civil society organizations, religious leaders, Business community representatives and County government officials.

The inclusive nature of the forums ensured that the views collected reflected a wide spectrum of community interests.

Table 1: Summary of Attendance per Sub-County

Sub-County	Male	Female	Total	<= 35 Yrs	>35 Yrs	PLWDS
Teso Central	111	87	198	85	113	3
Teso South	148	108	256	103	153	5
Teso North	119	72	191	67	124	4
Samia	232	158	390	108	282	4
Nambale	99	93	192	77	115	3
Matayos	254	162	416	176	240	9
Butula	159	143	302	130	172	5
Bunyala	92	79	171	55	116	3
Total	1,214	902	2,116	801	1,315	36

The participation demonstrated a commendable gender balance in some sub-counties, strong youth representation, and inclusion of persons living with disabilities, consistent with inclusivity principles. The male population represented 57.37% of the total attendance while the females were 42.63%. The youth represented 37.85% and persons living with disabilities represented 1.70%.

Key Issues Raised by the Public

Participants articulated sector-specific and cross-cutting priorities to be considered in the CFSP, summarized as follows:

Table 2: Priorities Raised

Sector/Department	Key Issues Raised by the Public	Remarks
Smart Agriculture, Livestock, Fisheries, Blue Economy & Agribusiness	provision of budget for Input access	There is a budgetary provision for input access
Trade, Investment, Industrialization, Cooperatives Small and Micro Enterprises	Completion of stalled markets and ablution blocks	Budget allocated for rehabilitation and construction of new markets
	Operationalization of markets that are already complete.	Budget provided under renovation and completion of markets program
Education & Industrial skills development	Equipping of ECDE centers	Will be provided in the subsequent budgets
	ECDE Feeding programs	Budget provided under departmental recurrent budget
	ECDE learning materials	No budgetary provision in the FY 2026/2027
	Construct suitable and friendly toilets for ECDE children	No budgetary provision in the FY 2026/2027
	Complete and equip all stalled VTC's	No budgetary provision in the FY 2026/2027
	Support ECDE Special schools	No budgetary provision in the FY 2026/2027
Water, Environment, Irrigation, Natural Resources & Climate Change	Maintenance/pipeline extension of existing water schemes.	Budget provided for rural water infrastructure development
	Solarization of Water projects.	Budget provided for rural water infrastructure development
	Opening up of water path ways/streams	Budget provided for rural water infrastructure development
	Non- functional Solar lighting system	No budgetary provision in the FY 2026/2027 but instead we Kshs. 35M for rural electrification
Transport, Roads and Public Works	Construction of bridges and box culverts	Budget Provided for construction of bridges and box culverts
	Routine maintenance of County roads	Budget provided for routine maintenance of county roads
Lands, Housing and Urban Development and Municipalities	Solid waste management	Budget for solid waste management for the two municipalities of Busia and Malaba

Sector/Department	Key Issues Raised by the Public	Remarks
	Land banking and titling of public land to secure land that is scattered.	Budget provided for titling County land
	Reallocate Governor's residence money to do other projects.	Priority Government project
Youth, Sports, Culture, Gender, Creative Arts and Social Services	Reallocate money for refurbishment of youth empowerment Centre at Nangina since the same project is being funded by National Government.	Priority Government project
Health Services & Sanitation	Completion and equipping of stalled health facilities.	Budgetary provision in the FY 2026/2027 for stalled projects
	Construction and Renovation of staff houses at various health facilities.	No budgetary provision in the FY 2026/2027
	Inadequate staff in most of the health facilities	There is Budgetary provision for recruitment of healthcare workers FY 2026/2027
	Purchase Ambulance for various health facilities	No budgetary provision in the FY 2026/2027
Strategic partnerships	Complete and operationalize the stalled Bukhalalire ICT Centre.	Budget provided in the department of strategic partnership
Finance	Gaps in revenue collection	Budget provided for Revenue automation under strategic partnership
Governorship	Construction of disaster preparedness and response centre	Budget provided for disaster risk preparedness across the county

The priorities identified during the public participation fora will inform the preparation and approval of the CFSP FY 2026/2027 and the MTEF. The County Treasury will align citizen/stakeholders' inputs with sector ceilings and strategic objectives to ensure responsiveness to public needs while maintaining fiscal discipline.

Key Observations

The following observations were made during the public participation exercise:

- There was strong public interest in the budgeting process, with active engagement across most wards
- Majority of the issues raised centered on **service delivery**, particularly in health, water, infrastructure, and agriculture
- Participants emphasized the need for **equitable distribution of resources** across all wards
- There was a recurring concern on the need to **complete ongoing and stalled projects** before initiating new ones
- Citizens called for enhanced **transparency and feedback mechanisms** on how public input is incorporated into the final budget

Challenges Encountered

- **Low awareness and limited access to online platforms**

Although the Draft Budget Estimates was uploaded on the County website, many participants were either unaware of the platform or lacked access to internet-enabled devices, reducing the effectiveness of online dissemination.

Proposed mitigation: Enhance public sensitization on county communication channels and adopt multiple dissemination approaches, including physical copies and use of local administration structures.

- **Time constraints**, which restricted the depth of discussions in certain forums

Proposed mitigation: Allocate additional time for public fora or organize staggered sessions where necessary.

- **Limited accessibility for Persons with Disabilities (PWDs)**, particularly due to the absence of sign language interpretation services during the forums. This may have limited effective participation for individuals with hearing impairments.

Proposed mitigation: To enhance inclusivity in future public participation exercises, the County should ensure provision of **sign language interpreters** and adopt additional accessibility measures to accommodate all persons, in line with inclusive public engagement principles.

Despite these challenges, the exercise achieved meaningful engagement and valuable citizen input.

COUNTY GOVERNMENT OF BUSIA
P.O. BOX PRIVATE 848-80400 BUSIA, KENYA
COUNTY TREASURY

PUBLIC PARTICIPATION ON COUNTY BUDGET ESTIMATES FOR FINANCIAL YEAR 2026/2027 & MTEF

Article 203 of the Constitution of Kenya 2010 envisages transparency, accountability and public participation in matters of public interest.

Section 124(2) of the Public Finance Management Act, 2012, requires the County Treasury to prepare County Budget Estimates to take into consideration views among others, the public and interested persons/groups.

In view of the above the County Government of Busia through the County Treasury would wish to notify and invite members of the public, professional groups, civil society organizations, private sector, faith based organizations and other interested stakeholders to a public participation forum to be held on Wednesday 22nd April, 2026 in all the eight (8) Constituencies of the County listed below.

Written comments may be sent to finance@busiacounty.go.ke, or delivered to County Treasury, Budget Directorate, Cash Control and Fund Administration offices on or before 22nd April, 2026.
